

**Policy:**

It is the policy of Lakeside Adult Day Health Care Center to provide Day Health Care Services and the ability for Registrants to move freely throughout the center both indoors and outdoors during the 5-hour program slot.

Procedure:

- Registrant will visit the program on scheduled days.
- Registrant will notify the social worker if they require or request to visit the ADHC for fewer than five hours.
- The program will accommodate the Registrant based on assessed needs to leave earlier or stay later.
- Registrant will work with their social worker to choose their means of transportation to and from the center.
- The program will coordinate with managed long-term care or care coordinator to ensure that all services are rendered within the time slot allocated.
- Based on assessed needs Registrants can enter or exit the center as appropriate.
- Based on assessed needs Registrants that wish to leave the program must notify staff and sign out.
- Registrants are free to choose their dining area, programs of interest and move freely both indoors and outdoors during the program.
