

Invitation for Bids

#20365

Snow Plowing and Snow/Ice Removal Services at The David Axelrod Institute and Griffin Laboratory

Questions and Answers

Issued October 13, 2023

QUESTION NUMBER	QUESTION	ANSWER
1	Griffin Laboratory – Is the back and side (wrap-around) driveway around the incinerator included in the services request?	Yes. See Amendment #1 and Map 2a Griffin Laboratory indicated in yellow.
2	Griffin Laboratory – Can the Snowplow Contractor use the existing salt shed?	The salt shed can be used.
3	Griffin Laboratory – Where can the Contractor store equipment and supplies, and is there a limit to the amount of equipment they can store on site?	Equipment may be stored down on the lower level by the salt shed. There is no limit regarding the amount of equipment stored. However, such equipment must be used exclusively for the Griffin Laboratory.
4	Griffin Laboratory – Is there access to power at the designated storage location?	There is no power available.
5	David Axelrod Institute and Griffin Laboratory – Is post snow removal season grounds remediation included, (repair of grass, gravel/stone replacement)?	See Amendment #1.
6	David Axelrod Institute and Griffin Laboratory – Is pretreatment of grounds a requirement and if so, what are the specifications on how often and when?	See Section 4 Detailed Specifications.
