

MAPP HHTS Release 3.8 Updates

The release is tentatively scheduled for deployment in the fall of 2021. Information regarding the MAPP HHTS Release 3.8 webinar that details the system changes and enhancements, will be distributed as we get closer to the implementation date.

MAPP HHTS Release 3.8 System Changes and Enhancements

1. Add a new file: Health Home County Codes Download
2. Add a new file: Active HH Provider Relationships
3. Add a new file: HCBS Member Services File
4. Categorize Segment End Date Reason Codes
5. Update Provider Relationship File with HH+ start/end dates for 'N' values in HH+ field
6. Add HH+ member level flag (from PSYCKES)
7. Add functionality to sort referrals by organization and referrer
8. Add a new MAPP User Role: Health Home Dashboard Only Access
9. Add new functionality to update the File Upload Dropdown display to be specific to each user role type in the system to only include those files each user role type has permission to upload.
