

For info about Hep C and
where to get new works:
health.ny.gov/HepatitisC
thepointny.org

16024

Department
of Health

7/17

ALWAYS USE
NEW
WORKS

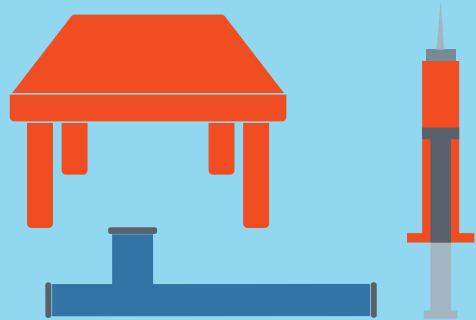

IF BLOOD HAS TOUCHED IT

HEP C
COULD BE ON IT

Stay free of Hep C.

Always use new.

**Syringes • Cookers • Needles • Cotton
Water • Pipes • Filters • Tie Offs • Surfaces**
