# New York State Master Plan for Aging

Presented to the Public Health and Health Planning Council

**Adam Herbst**

*Deputy Commissioner*

*Office of Aging and Long Term Care*

JUNE 29, 2023

# Welcome

## Meeting Topics

- Introduction and background
- Master Plan structure: key committees/groups and their roles
- Intersecting Priorities: PHHPC and the Master Plan for Aging
- Next steps

# On November 4, 2022, Governor Hochul signed Executive Order No. 23 creating a State Master Plan for Aging to...

Create a **blueprint of strategies** for government, the private sector, and the non-profit sector to support older New Yorkers

**Address challenges** related to communication, coordination, caregiving, long-term financing, and innovative care

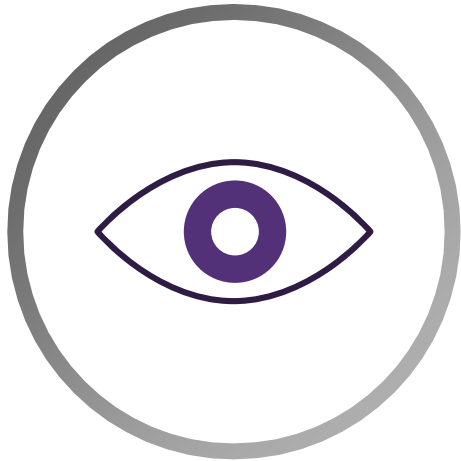

**Coordinate all State policy** and programs

With the goal of having all older New Yorkers "live **fulfilling lives**, in **good health**, with **freedom, dignity and independence** to **age in place** for as long as possible."

# OALTC Vision and Mission statements

## Vision

A state where all New Yorkers have the opportunity to **age in place** for as long as possible with **access to quality services** that **promote dignity, independence, and health**

## Mission

Create and implement policy, programs, services, and regulations to **meet the health and long-term care needs** of all New Yorkers and **promote aging in place with dignity and independence**

# Intersecting Priorities: Master Plan Agenda

Social determinants of health including transportation and housing

Chronic disease Prevention

Transitions across care settings

Healthcare workforce challenges

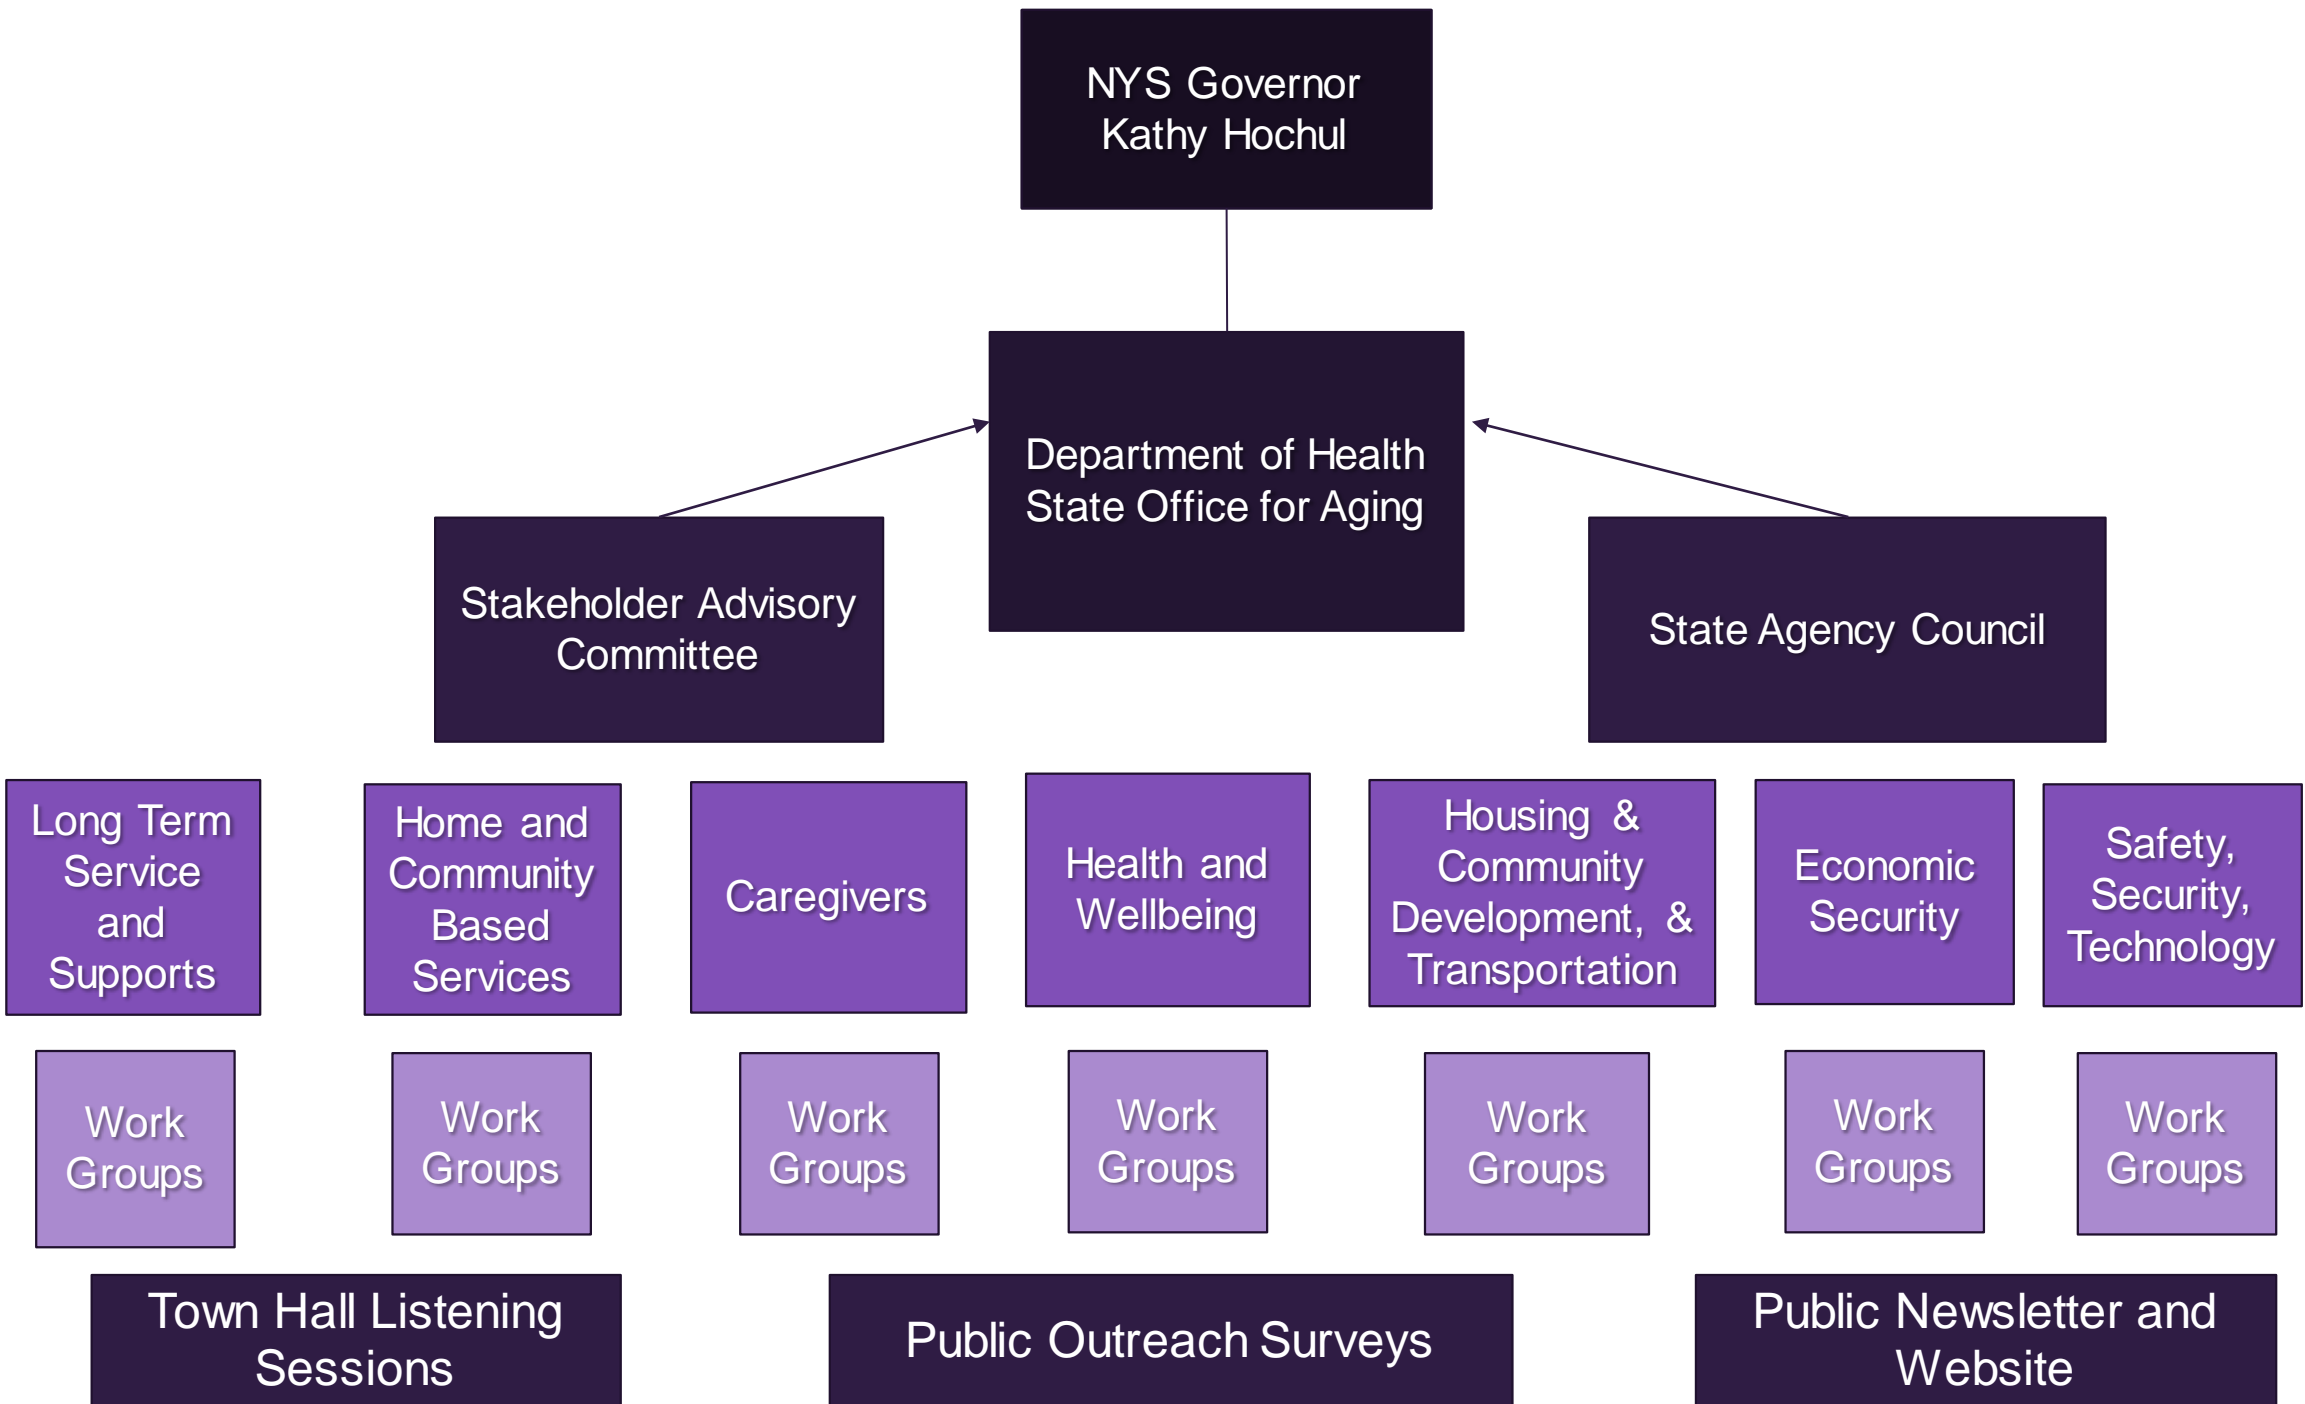

Meaningful choice and remaining in community

Family caregivers

# Master Plan for Aging Structure

---
