

Northern Rensselaer County Fishing Waters

NYS Department of Health Fish Advisories & Publicly Accessible Waters

Statewide Advisory Applies
Best choice waters

Specific Advisory Applies
Some fish from these waters have higher levels of chemicals.

Don't Eat Water
The Sensitive Population should avoid eating fish. The General Population should follow the specific advice.

— Connected Tributary, → Stream Flow Advisory Applies

~ Waterfall — Dam Location

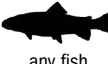

See back for fish advice.

Hoosick Falls Area
Effective 7/24/17: Preliminary results indicate that fish from some waters in Hoosick Falls have elevated levels of PFAS, compared to fish from other waters. Until testing is complete, DOH recommends that people who fish from Thayers Pond return their catch.
