DEPARTMENT: INTERDISCIPLINARY

PREPARED BY: [REDACTED]	ADHC DIRECTOR	EFFECTIVE DATE: 1/2020
APPROVED BY: [REDACTED]	ADMINISTRATOR	NEW: 1/2020
	POLICY: X	REVISD: PROCEDURE: X
SUBJECT: Community Integration Policy		

Policy: It is the policy of PRNC ADHC to ensure that registrants have access to the benefits of community integration programs, meaning they are integrated in the broader community, they are making choices about their daily lives, and they have opportunities to work in real jobs at fair pay. PRNC ADHC will provide resources and choices for community integration programs, a care plan will be developed, jointly with the registrant and/or authorized representative, upon their discretion and request and will be updated semi-annually, as needed and/or as requested by the registrant.

Purpose:

1. To meet the registrant's individual needs by providing extended services in the community.
2. To inform and offer all registrants the opportunities of community integrations program via community outings or by involving community programs to participate/ educate/ present at the PRNC ADHC program.

General Information: Obtaining a registrant's preferences, strengths and goals upon admission or semiannually for community integration. Including community supports related to integration in the care planning process for community integration. Providing community integration programs options to registrant council on a monthly basis. A registrant has a right to refuse community services.

Procedure:
