

3rd Annual Trauma Registry Conference: Maximize the Potential
 May 16, 2012
 University of Massachusetts Medical School
 Faculty Conference Room
 55 Lake Ave North
 Worcester, MA 01655

Program Overview: This program will be a dynamic and interactive exchange among interested professionals that deal with trauma registry issues on a daily basis. It is meant to fill a gap in knowledge and experience that primarily comes from working in regions and centers to compare experiences, backgrounds and best practices.

Objectives: Upon completion of this activity, participants should be able to:

- Appreciate the value of data collection analysis.
- Demonstrate the ability to code complex trauma cases.

Target Audience: Trauma registry staff, EMS coordinators, Municipal and State Trauma Program Managers
