Wound care, provides care to patients you need hyperbaric for wound healing or wound care treatment	6	8	48	36
OR there are 12 OR rooms with ability to provide care across multiple service lines	6	48	10	1
PACU - consist of 12 beds patients covering from post procedural/surgery	4	32	7	2
Endoscopy has 3 bays and used for admittin & discharging Endo patients, performs inpatient procedure	1	8	5	1
Ambulatory unit consists of 13 bays for admitting all patients including same day cases and inpatient	8	64	18	2.25
The ED is a 27 bed unit consisting of single & double occupancy beds> The ED manages patients of any	4.5	36	9.78	2.17
Behavioral Health Unit/ Psychiatry is an inpatient locked unit	3	24	15	5
This is a mixed acuity unit with Intensive Care Unit / ICU and Stepdown patients	3	24	6	2
4 North - providing direct care to hemodynamically stable patients needing medical/surgical care	2	12	12	6

3 North - Provides direct care to hemodynamically stable patients needing medical/surgical care	4	32	22	6
---	---	----	----	---

LPN DAY SHIFT STAFFING

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Planned average number of Licensed Practical Nurses (LPN) on the unit providing direct patient care per day on the Day Shift? (Please provide a number with up to 5 digits. Ex: 101.50)	Planned total hours of LPN care per patient including adjustment for case mix and acuity on the Day Shift (Please provide a number with up to 5 digits. Ex: 101.50)
Cardio neuro outpatient - provide diagnostic testing to patients such as echocardiogram	0	0
Birth center for labor, delivery, postpartum, post lap/gyn, nursery and special care nursery unit	0	0
is designed to assist individuals who have recently been discharged from an inpatient psychiatric fa	0	0
cardiac-rehab -outpatient medically supervised program designed to improve cardiovascular health	0	0

Interventional Radiology - performs various minimally invasive procedures using medical imaging guid	0	0
Wound care, provides care to patients you need hyperbaric for wound healing or wound care treatment	0	0
OR there are 12 OR rooms with ability to provide care across multiple service lines	1	8
PACU - consist of 12 beds patients covering from post procedural/surgery	0	0
Endoscopy has 3 bays and used for admittin & discharging Endo patients, performs inpatient procedure	0	0
Ambulatory unit consists of 13 bays for admitting all patients including same day cases and inpatient	0	0
The ED is a 27 bed unit consisting of single & double occupancy beds> The ED manages patients of any	0	0
Behavioral Health Unit/ Psychiatry is an inpatient locked unit	0	0
This is a mixed acuity unit with Intensive Care Unit / ICU and Stepdown patients	0	0

4 North - providing direct care to hemodynamically stable patients needing medical/surgical care	0	0
3 North - Provides direct care to hemodynamically stable patients needing medical/surgical care	0	0

DAY SHIFT ANCILLARY STAFF

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Planned average number of ancillary members of the frontline team on the unit per day on the Day Shift? (Please provide a number with up to 5 digits. Ex: 101.50)	Planned total hours of ancillary members of the frontline team including adjustment for case mix and acuity on the Day Shift (Please provide a number with up to 5 digits. Ex: 101.50)
Cardio neuro outpatient - provide diagnostic testing to patients such as echocardiogram	0	0
Birth center for labor, delivery, postpartum, post lap/gyn, nursery and special care nursery unit	0	0
is designed to assist individuals who have recently been discharged from an inpatient psychiatric fa	2	16

cardiac-rehab -outpatient medically supervised program designed to improve cardiovascular health	0	0
Interventional Radiology - performs various minimally invasive procedures using medical imaging guid	0	0
Wound care, provides care to patients you need hyperbaric for wound healing or wound care treatment	1	8
OR there are 12 OR rooms with ability to provide care across multiple service lines	2	8
PACU - consist of 12 beds patients covering from post procedural/surgery	0	0
Endoscopy has 3 bays and used for admittin & discharging Endo patients, performs inpatient procedure	1	8
Ambulatory unit consists of 13 bays for admitting all patients including same day cases and inpatient	0	0
The ED is a 27 bed unit consisting of single & double occupancy beds> The ED manages patients of any	1.5	12
Behavioral Health Unit/ Psychiatry is an inpatient locked unit	1	8

This is a mixed acuity unit with Intensive Care Unit / ICU and Stepdown patients	0	0
4 North - providing direct care to hemodynamically stable patients needing medical/surgical care	1	8
3 North - Provides direct care to hemodynamically stable patients needing medical/surgical care	1	8

DAY SHIFT UNLICENSED STAFFING

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Planned average number of unlicensed personnel (e.g., patient care technicians) on the unit providing direct patient care per day on the Day Shift? (Please provide a number with up to 5 digits. Ex: 101.50)	Planned total hours of unlicensed personnel care per patient including adjustment for case mix and acuity on the Day Shift (Please provide a number with up to 5 digits. Ex: 101.50)
Cardio neuro outpatient - provide diagnostic testing to patients such as echocardiogram	0	0
Birthing center for labor, delivery, postpartum, post lap/gyn, nursery and special care nursery unit	0	0
is designed to assist individuals who have recently been discharged from an inpatient psychiatric fa	0	0

cardiac-rehab -outpatient medically supervised program designed to improve cardiovascular health	0	0
Interventional Radiology - performs various minimally invasive procedures using medical imaging guid	0	0
Wound care, provides care to patients you need hyperbaric for wound healing or wound care treatment	1	8
OR there are 12 OR rooms with ability to provide care across multiple service lines	1	8
PACU - consist of 12 beds patients covering from post procedural/surgery	0	0
Endoscopy has 3 bays and used for admittin & discharging Endo patients, performs inpatient procedure	0	0
Ambulatory unit consists of 13 bays for admitting all patients including same day cases and inpatient	1	8
The ED is a 27 bed unit consisting of single & double occupancy beds> The ED manages patients of any	2.5	20
Behavioral Health Unit/ Psychiatry is an inpatient locked unit	2	16

This is a mixed acuity unit with Intensive Care Unit / ICU and Stepdown patients	1	8
4 North - providing direct care to hemodynamically stable patients needing medical/surgical care	1	8
3 North - Provides direct care to hemodynamically stable patients needing medical/surgical care	3	24

DAY SHIFT ADDITIONAL RESOURCES

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Description of additional resources available to support unit level patient care on the Day Shift. These resources include but are not limited to unit clerical staff, admission/discharge nurse, and other coverage provided to registered nurses, licensed practical nurses, and ancillary staff.
Cardio neuro outpatient - provide diagnostic testing to patients such as echocardiogram	EKG Tech
Birthing center for labor, delivery, postpartum, post lap/gyn, nursery and special care nursery unit	Manager, phlebotomist, laborist, pediatric specialist

is designed to assist individuals who have recently been discharged from an inpatient psychiatric fa	social worker, residents, psychiatrist, activity therapist
cardiac-rehab -outpatient medically supervised program designed to improve cardiovascular health	physical therapist, PT aide
Interventional Radiology - performs various minimally invasive procedures using medical imaging guid	Rad tech, anesthesiologist, radiologist
Wound care, provides care to patients you need hyperbaric for wound healing or wound care treatment	Front desk, certified hyperbaric tech
OR there are 12 OR rooms with ability to provide care across multiple service lines	surgical tech, scheduler, nurse coordinators, scrub techs, PCT, anesthesia techs, Physician assistants, anesthesiologist, surgeons, CRNA, LPN
PACU - consist of 12 beds patients covering from post procedural/surgery	none
Endoscopy has 3 bays and used for admittin & discharging Endo patients, performs inpatient procedure	Endo Tech, PCT
Ambulatory unit consists of 13 bays for admitting all patients including same day cases and inpatien	PCT, Nurse navigator

<p>The ED is a 27 bed unit consisting of single & double occupancy beds> The ED manages patients of any</p>	<p>Unit Clerk, phlebotomist, physical therapist, case management, radiology tech, Crisis workers, security, transport aide</p>
<p>Behavioral Health Unit/ Psychiatry is an inpatient locked unit</p>	<p>Social worker, Activity therapist, unit secretary</p>
<p>This is a mixed acuity unit with Intensive Care Unit / ICU and Stepdown patients</p>	<ul style="list-style-type: none"> • Patient transport • Nurse case management • Nursing float pool ; palliative care nurse • 24/7 Administrative nurse managers • Patient sitters and video monitoring system (virtual sitters)
<p>4 North - providing direct care to hemodynamically stable patients needing medical/surgical care</p>	<ul style="list-style-type: none"> • Patient transport • Nurse case management • Student nurse associates • Nursing float pool • 24/7 Administrative nurse managers • Palliative Care Nurse • Patient sitters and video monitoring system (virtual sitters)
<p>3 North - Provides direct care to hemodynamically stable patients needing medical/surgical care</p>	<ul style="list-style-type: none"> • Patient transport, Physical therapy • Nurse case management • Student nurse associates • Nursing float pool • 24/7 Administrative nurse managers • Palliative Care Nurse • Patient sitters and video monitoring system (virtual sitters),

DAY SHIFT CONSENSUS INFORMATION

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Our Clinical Staffing Committee reached consensus on the clinical staffing plan for this unit:	If no, Chief Executive Officer Statement in support of clinical staffing plan for this unit:	Statement by members of clinical staffing committee selected by the general hospital administration (management members):	Statement by members of clinical staffing committee that were registered nurses, licensed practical nurses, and ancillary members of the frontline team (employee members):
Cardio neuro outpatient - provide diagnostic testing to patients such as echocardiogram	Yes			
Birthing center for labor, delivery, postpartum, post lap/gyn, nursery and special care nursery unit	Yes			
is designed to assist individuals who have recently been discharged from an inpatient psychiatric fa	Yes			
cardiac-rehab -outpatient medically supervised program designed to improve cardiovascular health	Yes			
Interventional Radiology - performs various minimally invasive procedures using medical imaging guid	Yes			
Wound care, provides care to patients you need hyperbaric for wound healing or wound care treatment	Yes			

OR there are 12 OR rooms with ability to provide care across multiple service lines	Yes			
PACU - consist of 12 beds patients covering from post procedural/surgery	Yes			
Endoscopy has 3 bays and used for admittin & discharging Endo patients, performs inpatient procedure	Yes			
Ambulatory unit consists of 13 bays for admitting all patients including same day cases and inpatient	Yes			
The ED is a 27 bed unit consisting of single & double occupancy beds> The ED manages patients of any	Yes			
Behavioral Health Unit/ Psychiatry is an inpatient locked unit	Yes			
This is a mixed acuity unit with Intensive Care Unit / ICU and Stepdown patients	Yes			
4 North - providing direct care to hemodynamically stable patients needing medical/surgical care	Yes			
3 North - Provides direct care to hemodynamically stable patients needing medical/surgical care	Yes			

RN EVENING SHIFT STAFFING

<p>Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.</p>	<p>Planned average number of Registered Nurses (RN) on the unit providing direct patient care per day on the Evening Shift? (Please provide a number with up to 5 digits. Ex: 101.50)</p>	<p>Planned total hours of RN nursing care per patient including adjustment for case mix and acuity on the Evening Shift (Please provide a number with up to 5 digits. Ex: 101.50)</p>	<p>Planned average number of patients on the unit per day on the Evening Shift? (Please provide a number with up to 5 digits. Ex: 101.50)</p>	<p>What is the planned average number of patients for which one RN on the unit will provide direct patient care per day on the Evening Shift (Please provide a number with up to 5 digits. Ex: 101.50)?</p>
<p>Cardio neuro outpatient - provide diagnostic testing to patients such as echocardiogram</p>	<p>0</p>	<p>0</p>	<p>0</p>	<p>0</p>
<p>Birthing center for labor, delivery, postpartum, post lap/gyn, nursery and special care nursery unit</p>	<p>2</p>	<p>16</p>	<p>1</p>	<p>5</p>
<p>is designed to assist individuals who have recently been discharged from an inpatient psychiatric facility and/or those temporarily in need of more in</p>	<p>0</p>	<p>0</p>	<p>0</p>	<p>0</p>
<p>cardiac rehab - outpatient medically supervised program designed to help improve cardiovascular health</p>	<p>0</p>	<p>0</p>	<p>0</p>	<p>0</p>

Interventional Radiology - performs various minimally invasive procedures using medical imaging guidance	0	0	0	0
Wound care provides care to patients you need hyperbaric for wound healing or wound care treatment	0	0	0	0
OR there are 12 OR rooms with ability to provide care across multiple service lines	3	4	4	1
PACU - consist of 12 beds patients covering from post procedural/surgery	2	8	4	2
Endoscopy has 3 bays and used for admitting & discharging Endo patients, & performs inpatient procedure	0	0	0	0
Ambulatory unit consists of 13 bays for admitting all patients including same day cases and inpatients. Ambulatory surgery consists of Endo, The Minor	3	32	6	2
Unit Clerk, phlebotomist, physical therapist, case management, radiology tech, Crisis workers, security, transport aide	6	48	13.69	2.28
Behavioral Health Unit/ Psychiatry provide care to multiple patients with behavioral health needs	3	24	15	5

Intensive Care Unit / Stepdown this is a mixed unit providing care to critically ill or unstable patients requiring invasive and non-invasive monitori	3	24	6	2
4 North - providing direct care to hemodynamically stable patients needing medical/surgical care	2	16	12	6
3 North providing direct care to hemodynamically stable patients needing medical/surgical care	4	32	22	6

LPN EVENING SHIFT STAFFING

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Planned average number of Licensed Practical Nurses (LPN) on the unit providing direct patient care per day on the Evening Shift? (Please provide a number with up to 5 digits. Ex: 101.50)	Planned total hours of LPN care per patient including adjustment for case mix and acuity on the Evening Shift (Please provide a number with up to 5 digits. Ex: 101.50)
Cardio neuro outpatient - provide diagnostic testing to patients such as echocardiogram	0	0
Birthing center for labor, delivery, postpartum, post lap/gyn, nursery and special care nursery unit	0	0

is designed to assist individuals who have recently been discharged from an inpatient psychiatric facility and/or those temporarily in need of more in	0	0
cardiac rehab - outpatient medically supervised program designed to help improve cardiovascular health	0	0
Interventional Radiology - performs various minimally invasive procedures using medical imaging guidance	0	0
Wound care provides care to patients you need hyperbaric for wound healing or wound care treatment	0	0
OR there are 12 OR rooms with ability to provide care across multiple service lines	0	0
PACU - consist of 12 beds patients covering from post procedural/surgery	0	0
Endoscopy has 3 bays and used for admitting & discharging Endo patients, & performs inpatient procedure	0	0

Ambulatory unit consists of 13 bays for admitting all patients including same day cases and inpatients. Ambulatory surgery consists of Endo, The Minor	0	0
Unit Clerk, phlebotomist, physical therapist, case management, radiology tech, Crisis workers, security, transport aide	0	0
Behavioral Health Unit/ Psychiatry provide care to multiple patients with behavioral health needs	0	0
Intensive Care Unit / Stepdown this is a mixed unit providing care to critically ill or unstable patients requiring invasive and non-invasive monitoring	0	0
4 North - providing direct care to hemodynamically stable patients needing medical/surgical care	0	0
3 North providing direct care to hemodynamically stable patients needing medical/surgical care	0	0

EVENING SHIFT ANCILLARY STAFF

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Planned average number of ancillary members of the frontline team on the unit per day on the Evening Shift? (Please provide a number with up to 5 digits. Ex: 101.50)	Planned total hours of ancillary members of the frontline team including adjustment for case mix and acuity on the Evening Shift (Please provide a number with up to 5 digits. Ex: 101.50)
Cardio neuro outpatient - provide diagnostic testing to patients such as echocardiogram	0	0
