<p>5BE Tele is a 33 bed unit, 5th fl, main bldg, patient mix are tele, med-surg, chemo and stroke.</p>	<p>Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as Pharmacists, Respiratory Therapists and Social Workers are available to support the planned number of patients on this unit</p>

<p>5BE Med-Surg 33 bed unit, 5th fl main bldg, pts are med-surg, chemo and stroke.</p>	<p>Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as Pharmacists, Respiratory Therapists and Social Workers are available to support the planned number of patients on this unit</p>
<p>4BW Med-Surg 15 bed unit 4th fl main bldg, pre and post op patients/med-surg.</p>	<p>Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as Pharmacists, Respiratory Therapists and Social Workers are available to support the planned number of patients on this unit</p>
<p>4BE Tele 33 bed unit 4th fl main bldg, med-surg tele pts and vents</p>	<p>Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as Pharmacists, Respiratory Therapists and Social Workers are available to support the planned number of patients on this unit</p>

4BE Med-Surg 33 bed unit 4th fl main bldg, med-surg vent	Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as Pharmacists, Respiratory Therapists and Social Workers are available to support the planned number of patients on this unit
3BE Telemetry 3rd fl main bldg 10 bed unit, CHF, tele, med-surg patients.	Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as Pharmacists, Respiratory Therapists and Social Workers are available to support the planned number of patients on this unit
A4E Tele 41 bed unit, 4th fl main bldg, med-surg tele vent and radiation therapy unit.	Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as Pharmacists, Respiratory Therapists and Social Workers are available to support the planned number of patients on this unit

<p>A4E Med- Surg 41 bed, 4th fl, main bldg, med-surg, vent and radiation therapy unit.</p>	<p>Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as Pharmacists, Respiratory Therapists and Social Workers are available to support the planned number of patients on this unit</p>
<p>A4W Tele 41 bed, 4th fl, main bldg, med-surg tele, vent, radiation therapy unit.</p>	<p>Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as Pharmacists, Respiratory Therapists and Social Workers are available to support the planned number of patients on this unit</p>
<p>A4W (Med Surg) 41 bed, 4th fl, main bldg, med surg, vent, radiation therapy unit.</p>	<p>Dedicated clerical and HN resources for this unit are planned as submitted. Additional resources such as Pharmacists, Respiratory Therapists and Social Workers are available to support the planned number of patients on this unit.</p>

DAY SHIFT CONSENSUS INFORMATION

Provide a description of Clinical Unit, including a description of typical patient services provided on the unit and the unit's location in the hospital.	Our Clinical Staffing Committee reached consensus on the clinical staffing plan for this unit:	If no, Chief Executive Officer Statement in support of clinical staffing plan for this unit:	Statement by members of clinical staffing committee selected by the general hospital administration (management members):	Statement by members of clinical staffing committee that were registered nurses, licensed practical nurses, and ancillary members of the frontline team (employee members):
3BE Med-Surg, 3rd fl, Main bldg, 10 bed unit, CHF and med-surg patients.	No	In summary, after thoughtful review of both proposals, hospital administration agreed with management's proposal and their explanation for auxiliary staff ratios. Please see staffing plan submission from 7/1/2022 for the full statement.	In summary, management members found that experience at the hospital and the literature on safe staffing models supported the ratio for auxiliary staff on this unit. Please see staffing plan submission from 7/1/2022 for the full statement.	In summary, employee members did not find that the auxiliary staff ratio would provide a sufficient number of patient care hours per day. Please see staffing plan submission from 7/1/2022 for the full statement.
5BW Tele Med-Psych, 5th floor main bldg, 12 bed unit, medical pts with a psych history.	No	In summary, after thoughtful review of both proposals, hospital administration agreed with management's proposal and their explanation for auxiliary staff ratios. Please see staffing plan submission from 7/1/2022 for the full statement.	In summary, management members found that experience at the hospital and the literature on safe staffing models supported the ratio for auxiliary staff on this unit. Please see staffing plan submission from 7/1/2022 for the full statement.	In summary, employee members did not find that the auxiliary staff ratio would provide a sufficient number of patient care hours per day. Please see staffing plan submission from 7/1/2022 for the full statement.

<p>P5N Psych 35 bed in Pavillion 5thfl, serve acute adult psych patients 18 and above</p>	<p>No</p>	<p>In summary, after thoughtful review of both proposals, hospital administration agreed with management's proposal and their explanation for auxiliary staff ratios.
