America’s Move to Raise a Healthier Generation of Kids

Comprehensive initiative, launched by the First Lady, dedicated to solving the problem of obesity within a generation.

- Healthier Food in Schools
- Creating a healthy start for children
- Access to Healthy and Affordable Food
- Increasing Physical Activity
- Empowering parents and caregivers
Goal: Prevent 1 million heart attacks and strokes over the next 5 years

Engage public and private sector partners in a coordinated approach to:

- Reduce the number of people who need treatment
- Improve the quality of treatment for those who need it
- Maximize current investments in cardiovascular health
