Meeting Notice

Monday, August 7, 2023– The New York State Department of Health has announced that the following meeting has been scheduled:

Wednesday, August 23, 2023 & Thursday, August 24, 2023 – The New York State HIV Advisory Body (HAB) will meet on August 23rd at 10:30 a.m. and on August 24th at 8:00 a.m. at the **Holiday Inn Rochester Downtown, 70 State St, Rochester, New York 14614.**

The HAB is an advisory body to the New York State Department of Health AIDS Institute. It is constituted to serve as a forum to draw from the expertise and experiences of consumers, providers and community members to provide advice on service needs, affected populations and emerging issues related to HIV prevention, health care and supportive services throughout New York State. The HAB serves to identify and address prevention and health care needs and gaps of HIV infected/affected populations with an emphasis on linkage, retention and viral suppression. Advisory Body members represent all geographical areas of the State. Membership is representative of individuals living with HIV, others who have been or may be affected by the epidemic, as well as HIV/AIDS service providers, technical experts, and representatives of government agencies.

For further information or to register to attend the meeting, please contact the New York State Department of Health, AIDS Institute, Office of Planning and Community Affairs at (518) 473-8484.
