Conditions for Participation in the EQUAL 2020-2021 Program

The applicant (facility operator) agrees to the following conditions upon approval of this application:

1. Nothing contained herein or in any law shall create or be deemed to create any right, interest or entitlement for any individual or other entity eligible to participate under the program.

2. The applicant will be bound by the requirements, terms and conditions of the program as stated in statute and compliance with applicable Department of Health (Department) regulations, this Request for Applications and other procedural requirements related to the program. This includes, but is not limited to, the timely completion of reports on the Health Commerce System (HCS), such as census reports, financial reports and all surveys applicable to Adult Care Facilities.

3. Payment of funds is subject to availability of funds specifically appropriated for such purpose.

4. The payment may be terminated in whole or in part by the Department.

5. As a condition of receiving EQUAL funds, the applicant shall warrant that it is not in arrears to the State upon debt or contract, and is not a defaulter as surety, contractor or as to any other obligation to the State.

6. As a condition of receiving EQUAL funds, the applicant shall warrant that it does not intend to/or anticipate facility closure within the 2020-2021 calendar year. The facility will be required to submit a completed Exhibit A and Exhibit B with PDF copies of all relevant receipts for any used funds and return any unused EQUAL funds to the Department if closure occurs.

7. EQUAL payments shall be made for the purpose of enhancing both residents’ quality of care and life experience in the adult care facility. Funds will not be awarded to subsidize daily operational expenses such as staffing or utilities.

Use of program funds may include, but shall not be limited to:

- air conditioning
- furnishings
- clothing allowance for residents (gift cards are preferred to facilitate resident choice)
- upgrades to resident room furnishings
- resident activities and/or community outings
- computers and televisions for resident use
- transportation for resident services
- all other expenses designed for improving the residents’ life experience beyond the day to day operational programs and services
- equipment
- staff trainings

- emergency disaster preparedness, such as generators, electronic health records, resident tracking systems, transition programs, and vehicles used for evacuations
• maintenance or repairs to the facility (the Operator is required to check with their Regional Office to determine if a Resident Safety Plan is required prior to initiating work)

The above is not an exhaustive list of allowable expenses. The Department will review all proposals for the acceptable use of program funds with final approval residing with the Department.

8. EQUAL payments should be expended within twelve months of receipt of your check on the intended use(s). **Prior approval by the Department is required for any changes to be made in the approved Expenditure Plan and must include documentation to demonstrate resident council approval or, in the absence of a residents’ council, approval from a minimum of three (3) residents to demonstrate that they were a part of the decision-making process and are in agreement with the proposed changes.**

   Note: Enriched Housing programs that do not have a resident council must maintain on file a signed petition similar to the form attached at the end of these instructions.

9. EQUAL funds should not be used for expenses incurred retrospectively except that expenditures may be incurred prior to the approval of the facility’s application for such fiscal year, provided that: (a) consistent with subdivision three of this section, the residents’ council approves such expenditure prior to the expenditure being incurred, and the facility provides with its application documentation of such approval and the date thereof; and (b) the expenditure meets all applicable requirements pursuant to this section and is subsequently approved by the department.

10. Payments shall be determined as follows:

    **Not Eligible** - The Department may deny any operator that has received official written notice from the Department of a proposed revocation, suspension, limitation or denial of the operator’s operating certificate; or proposed assessment of civil penalties; issuance of a Department order, the seeking of equitable relief or the issuance of a Commissioner’s Order.

    A facility that has received an enforcement notification will not necessarily be denied EQUAL funding this year unless the enforcement notice is for a non-rectifiable endangerment violation as outlined in 486.5(a)(4)(i)-(vi).

11. The Department may, at any time, reassess the continued eligibility of an operator to receive an EQUAL payment by failing to meet compliance standards on an ongoing basis.

12. Records related to expenditures made under the EQUAL Program must be maintained and made available to the Department for audit purposes. The Department reserves the right to audit expenditures at any time to ensure compliance. Such records include Exhibit must be kept available for review at the facility for a period of at least seven years.

13. This application for EQUAL, and any payments resulting from such application, are subject to all laws, rules and regulations promulgated by any federal, state and municipal authority having jurisdiction as the same and may be amended from time to time. The Department reserves its rights in its sole discretion, to modify and/or withdraw this application at any time. All applications are prepared at the sole risk, cost and expense of the applicant.

14. Submission of an EQUAL application does not commit the Department to award any payment, to pay any costs incurred in the preparation of responses to such applications, or to procure or contract for any services.

15. The Department reserves the right to amend, modify or withdraw the EQUAL Program application and to reject any applications submitted; and may exercise such right at any
time without notice and without liability to any applicant or other parties for their expenses incurred in the preparation of an application or otherwise. Amendments will be prepared at the sole cost and expense of the applicant.

16. The Department reserves the right to award payments to as many or as few applicants as it may select, to accept or reject any or all proposals which do not completely conform to the instructions and statutory requirements, and to cancel, in whole or in part, the EQUAL Program applications, if the Department, in its sole discretion, deems it to be in its best interest to do so.

17. Submission of an application will be deemed to be the consent of the applicant to any inquiry made by the Department of third parties with regard to the applicant's character, competence, experience or other matters relevant to the proposal.

18. The Department reserves the right to request and consider additional information from any applicant beyond that requested or presented in the initial proposal. A payment, if any, may be made on condition of the receipt of any additional information requested.

19. Payments under this program will not be processed until all information requested has been received and approved. All issues must be finalized to the satisfaction of the Department before a payment can be authorized. The Department is not liable for any expenses incurred before a payment is issued.

20. The facility must submit a 2020-2021 EQUAL Proposed Spending Plan, along with an approval statement signed by the resident council, or where there is no resident council a minimum of three residents verifying approval of the spending plan (Section E: Attachments 1, 2, & 3, respectively). The application shall provide the name(s) of individuals with authority to negotiate and contractually bind the facility. The application will also include, the name, email address, telephone number (including area code) of the contact person for the facility.

23. The Department may require reports to be submitted relating to obligations incurred, expenditures made, payments received, and services provided under the EQUAL Program. All reports shall be in such form and detail and shall be submitted at such times as the Department shall prescribe.

25. If an audit or inspection shows that any item of work for which a disbursement has been made was not carried out in full compliance with the terms and conditions of the EQUAL Program, the applicant shall, upon demand of the Department, repay such payment to the
Department and/or complete or correct the cited deficiency within the time period specified by the Department.

26. The Applicant and the Department agree that the Applicant is an independent entity and not an employee or agent of the Department. The Applicant agrees to indemnify the Department and the State of New York against any loss the Department or the State of New York may suffer when such losses result from claims of any person or organization (excepting the Department and State of New York) injured by the negligent acts or omission of the Applicant, its agents, and/or employees or contractors.
