<b>Overall Purpose/ Strategic Objective</b>	The purpose of this committee is to help ensure patient and staff safety, alignment with the organization's strategic goals, support greater retention, and promote evidence-based staffing by establishing a mechanism whereby direct care staff and														

	<p>hospital management can participate in a joint process regarding decisions about staffing.</p> <p>The clinical staffing committee has ready access to organizational data pertinent to the analysis of staffing which may include but is not limited to:</p> <ul style="list-style-type: none"> <li>• Patient census and census variance trends</li> <li>• Patient LOS</li> <li>• Nurse sensitive outcome indicator data</li> <li>• Quality metrics and adverse event data where staffing may have been a factor</li> <li>• Patient experience data</li> <li>• Staff engagement/experience data</li> <li>• Nursing overtime and on-call utilization</li> <li>• Nursing agency utilization</li> <li>• Staffing concerns/data</li> <li>• Recruitment, retention and turnover data as available</li> <li>• Education, vacation and sick time (including leaves of absence, scheduled or unscheduled)</li> </ul>
<p><b>Tasks/ Functions</b></p>	<ul style="list-style-type: none"> <li>• Develop/produce and oversee the establishment of an annual patient care unit and shift-based staffing plan and staffing plan modifications based on the needs of patients and use this plan as the primary component of the staffing budget.</li> <li>• Provide semi-annual review of the staffing plan to compare budget to actual performance. Ensure mechanisms are built in to allow for flexibility based on patient need by utilizing factors such as case mix, acuity and complexity, as well as unit activity (admissions discharges and transfers). Incorporate known evidence-based staffing information, including nurse sensitive quality indicators collected by the hospital, as well as historical budget information (prior year's run rate, hours per patient day, etc.). <ul style="list-style-type: none"> <li>Typical timeline for annual review and validation of staffing plans: <ul style="list-style-type: none"> <li>▪ April – committee review and submit to hospital president for final approval by June 1 of each year (in time for July 1 DOH submission).</li> <li>▪ October – committee review and validate prior to final budget submission</li> </ul> </li> </ul> </li> <li>• Review, assess and respond to staffing variations or concerns presented to the committee</li> <li>• Assure that patient care unit annual staffing plans, shift-based staffing and total clinical staffing are posted on each unit in a public area.</li> <li>• Assure factors are considered and included, but not limited to, the following in the development of staffing plans: <ul style="list-style-type: none"> <li>○ Census, including total numbers of patients on the unit on each shift and activity such as patient discharges, admissions and transfers</li> <li>○ Level of acuity and intensity of all patients and nature of the care to be delivered on each shift</li> <li>○ Skill mix of the staff</li> </ul> </li> </ul>

	<ul style="list-style-type: none"> <li>○ Level of experience and specialty certification or training of nursing personnel providing care</li> <li>○ The need for specialized or intensive equipment</li> <li>○ The architecture and geography of the patient care unit, including but not limited to placement of patient rooms, treatment areas, nursing stations, medication preparation areas and equipment</li> <li>○ Mechanisms and procedures to provide for one-to-one patient observations, when needed.</li> <li>○ Other special characteristics of the unit or community patient population.</li> <li>○ Measures to increase worker and patient safety, which could include measures to include measures to improve patient throughput.</li> <li>○ Staffing guidelines adopted or published by national nursing professional associations, specialty nursing organizations and other health professional organizations</li> <li>○ Availability of other personnel supporting nursing services on the unit.</li> <li>○ Coverage to enable registered nurses, licensed practical nurses and ancillary staff to take meal and rest breaks, planned time off, and unplanned absences that are reasonably foreseeable.</li> <li>○ The predetermined NDNQI nurse sensitive metrics.</li> <li>○ Hospital finances and resources as well as defined budget cycle must be considered in the development of the staffing plan.</li> <li>○ Waiver of plan requirements in the case of an unforeseeable emergency where the hospital disaster plan is activated, or an unforeseen disaster or catastrophic event immediately affects or increases the need for healthcare services.</li> <li>● Develop and implement a process to examine and respond to complaints submitted to the committee regarding potential violations of the staffing plan: <ul style="list-style-type: none"> <li>○ Track complaints coming in and the resolution of the complaints.</li> <li>○ Make a determination that a complaint is resolved or dismissed based on submitted data.</li> <li>○ Examine trends and make changes if necessary.</li> </ul> </li> <li>● Orientation to the clinical staffing committee is part of unit/department orientation where applicable.</li> </ul>
<b>Timeline for Outcome Completion</b>	<ul style="list-style-type: none"> <li>● By Jan. 1, 2022 the clinical staffing committee will be established in accordance with the Clinical Staffing Committee Law-Completed.</li> <li>● By June 30, 2022 the clinical staffing committee will have approved the charter-Completed 6/23/2022.</li> <li>● Staffing Grids will be added to Arnot Heath website before 7/31/2022.</li> <li>● Variations from the staffing plan can be submitted through the safety reporting system (currently SafeQual) to be completed by 7/31/2022, and will be reviewed at committee meetings.</li> </ul>
<b>Meeting Management</b>	<p><b>Meeting schedule:</b>  The clinical staffing committee will meet as often as necessary to complete the clinical staffing plan prior to each of the deadlines and then on a regular basis as agreed upon by the committee members during the remainder of the year (monthly, quarterly, etc.). Notices of meeting dates and times will be distributed in advance in</p>

	<p>order to better accommodate unit scheduling. Participation by a hospital employee shall be on scheduled work time and compensated at the appropriate rate of pay. Members shall be relieved of all other work duties during meetings. Members of the clinical staffing committee will be paid, and preferably will be scheduled to attend meetings as part of their normal work hours for the majority of the meetings. It is understood that meeting schedules may require that a staff member attend on his/her scheduled day off. In this case, the staff member will be compensated for their time.</p> <p><b>Record-keeping/minutes:</b></p> <ul style="list-style-type: none"> <li>• Meeting agendas will be distributed to all committee members in advance of each meeting.</li> <li>• The minutes of each meeting will be distributed to all committee members with each meeting agenda.</li> <li>• A master copy of all agendas and meeting minutes from the clinical staffing committee will be maintained and available for review on request in Nursing Services.</li> </ul> <p><b>Attendance requirements and participation expectations:</b></p> <ul style="list-style-type: none"> <li>• It is the expectation of the clinical staffing committee that all members will participate actively, including reading required materials in advance of the meeting as assigned, coming prepared to meetings and engaging in respectful dialogue as professional committee members.</li> <li>• If a member needs to be excused, requests for an excused absence are communicated to staffing committee co-chair/s. Failure to request an excused absence will result in attendance recorded as “absent” in the meeting minutes.</li> <li>• All members are expected to attend at least 75% of the meetings held each year. Failure to meet attendance expectations may result in removal from the committee.</li> <li>• Replacement will be in accordance with aforementioned selection processes.</li> </ul> <p><b>Decision-making process:</b></p> <ul style="list-style-type: none"> <li>• Clinical staffing plans shall be developed and adopted by consensus of the clinical staffing committee. For the purposes of determining whether there is a consensus, the management members of the committee shall have one vote, and the employee members shall have one vote, regardless of the actual number of members of the committee.</li> <li>• If there is no consensus on the staffing plan or partial staffing plan (individual unit/department), the hospital president shall use discretion to adopt the plan, or partial plan based on the information provided and provide a written explanation of this determination. This will include the final written proposals from both the management and employee members and their rationales.</li> <li>• There will be a requirement of at least half of the committee members of each group in order to have a quorum. Currently five staff members and five management members.</li> </ul>
<p><b>New Staff Committee Requirements</b></p>	<ul style="list-style-type: none"> <li>• Staffing committee members will receive education/orientation upon joining the committee.</li> </ul>
