	<p>* Shift means a 24-hour period of time as a whole or divided into parts as appropriate to the reporting facility. This template has 3 eight-hour shifts (a Day Shift, approximately 7am to 3pm; an Evening Shift, approximately 3pm to 11pm; and a Night Shift, approximately 11pm to 7am).</p> <p>There are multiple different shifts that could be worked, for example, 8-hour shifts, 12-hour shifts, or split shifts. For each category that is being identified (registered nurses, licensed practical nurses, ancillary members of the frontline team), please attribute the components of their time to the appropriate eight-hour shift as outlined in this template (Day Shift, Evening Shift, or Night Shift).</p> <p>Split shifts or shorter than eight-hour shifts would be recorded in the appropriate Day Shift, Evening Shift, or Night Shift.</p>				

	<p>If a 12-hour shift is scheduled, the total number of hours for the first part of the shift would be recorded in the appropriate category (Day Shift, Evening Shift, or Night Shift), and then the second part of the shift would be reported in the next appropriate shift. For example, the employee could have eight hours recorded in the Day Shift (7 AM - 3 PM), and four hours recorded in the first part of the Evening Shift (3 PM - 7 PM).</p>				
	<p>Description of additional resources available to support unit level patient care on the Day Shift. These resources include but are not limited to unit clerical staff, admission/discharge nurse, and other coverage provided to registered nurses, licensed practical nurses, and ancillary staff. *</p>	<p>Clinical Coordinator, Nursing Supervisor</p>		<p>Planning</p>
