3G-ADULT REHAB UNIT	<p>Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).</p>
---------------------	--

NURSING NEONATAL  
INTENSIVE CARE UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 11A MCH

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 11B MCH

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

LABOR AND DELIVERY-WST

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

<p>NURSING 10B MEDICAL SURGICAL UNIT</p>	<p>Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).</p>
<p>NURSING 9A MEDICAL SURGICAL UNIT</p>	<p>Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions.</p>

NURSING 8B MEDICAL  
SURGICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

14A MEDICAL SURGICAL  
UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

10A MEDICAL SURGICAL  
UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

9B MEDICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 8AS CRITICAL  
CARE STEPDOWN-Annex

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 8A SOUTH  
NEUROSURGICAL ICU

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

8AW-ADULT  
MEDICAL/SURGICAL ICU

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

8AE-NURSING INTENSIVE  
CARE UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

7G ADULT PSYCH UNIT	<p>Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).</p>

There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).</p>
---------------------	--

NURSING NEONATAL  
INTENSIVE CARE UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 11A MCH

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 11B MCH

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

LABOR AND DELIVERY-WST

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 10B MEDICAL  
SURGICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 9A MEDICAL  
SURGICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 8B MEDICAL  
SURGICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

14A MEDICAL SURGICAL  
UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

10A MEDICAL SURGICAL  
UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

9B MEDICAL UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 8AS CRITICAL  
CARE STEPDOWN-Annex

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

NURSING 8A SOUTH  
NEUROSURGICAL ICU

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

8AW-ADULT  
MEDICAL/SURGICAL ICU

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

8AE-NURSING INTENSIVE  
CARE UNIT

Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).

7G ADULT PSYCH UNIT	<p>Unit Secretary: Performs clerical and receptionist duties essential to the operation of patient care as directed and also receives instructions from physicians and nurses. Insures correct patient identification on all patient care medical record forms, documents and requisitions. There are other members of the ancillary team that are not easily attributed to definitive work-hours whom support the unit on a regular basis (security, case managers, social workers, physical therapists, etc...).</p>
