

CROUSE COMMUNITY CENTER ADULT DAY HEALTH CARE

REGISTRANT RIGHTS

Reference: Section 425.4 (3)(i-vi)

Policy:

Crouse Community Center ADHC shall provide care for registrants in a manner and environment that enhances each registrant's dignity and respect and in full recognition of the registrant's individuality. Registrant Rights shall be afforded to all registrants at all times. Registrant's legal representatives and staff shall be informed of these rights.

Procedure:

1. Upon admission and annually thereafter the registrant shall be advised of and offered a copy of "Registrant Rights".
2. The Program Director shall provide in-service training upon hire and at least annually to center staff and volunteers regarding registrant rights.
3. Registrant Rights, printed in large font, and in the languages of the registrants attending the center, will be posted in a conspicuous place in the center to ensure that all registrants, staff and visitors have access to these rights.
4. ADHC staff and administration will ensure that each registrant is afforded the personal rights as specified in this policy.
