Jeffrey Kraut, Chairman

II. CONSTRUCTION MORATORIUM – STATEWIDE FACILITY IMPACT

Robert Schmidt, NYS Department of Health

**III. MEMORIAL SLOAN KETTERING AMBULATORY CARE CENTER AT
E. 74TH STREET**

Presenters will review the planned scope of services at the site and outline the relevant flood mitigation features of the project. Includes a review the project's design as it pertain to the AIA's "Critical and Commercial Buildings Systems Matrix" which was distributed at the first Environmental and Construction Standards Committee meeting.

- James Gillson, Administrator, Regulatory Affairs, Memorial Hospital for Cancer and Allied Diseases
- Gary Acord - MSKCC Facilities Management
- David Geller - MSKCC Facilities Management
- Chris Prochner - Engineering Consultant, Jaros, Baum & Bolles
- Jeff Burke - Project Architect, Perkins Eastman

**IV. NYU LANGONE MEDICAL CENTER – PLANNING FOR THE FUTURE IN A
CHANGING ENVIRONMENT**

Presenters will review what happened at NYU during Superstorm Sandy and mitigation actions currently under consideration.

- Vicki Match Suna, AIA – Vice Dean and Senior Vice President, Real Estate Development and Facilities, NYU Langone Medical Center
- Paul Schwabacher, PE - Senior Vice President, Facilities Management, Real Estate Development and Facilities, NYU Langone Medical Center
- David Tepper, AIA - Associate Partner, Ennead Architects

******* Lunch Break *******

**V. NYC SPECIAL INITIATIVE FOR REBUILDING AND RESILIENCY
HEALTHCARE OBJECTIVES AND PROCESS**

SIRR's healthcare group conducted an analysis focused on hospitals, residential providers, and community-based providers to better understand what happened during Superstorm Sandy; identify the potential impact of future storms; and, how to rebuild post-Sandy and prepare for a future with climate change.

Includes recommendations for NYC and additional ideas for NYS.

- Ophelia Roman, Healthcare Lead, Mayor Bloomberg's Special Initiative for Rebuilding and Resiliency
