

**Exhibit 2.**

**NY State of Health Private Pay Home Care Services Pilot Program  
LHCSA Training**

**Instructions.** Please provide a description of the continuing education offered to home care workers providing personal care, house-keeping, home-maker, and home health aide services by your agency in 2019 and/or 2020. Include samples of training materials used. Also include the number of staff who have completed this continuing education training in 2019 as well as the LHCSA's policy if there are deficiencies with home care workers not completing or passing the required training.
