Through this Request for Proposal ("RFP"), the New York State ("State") Department of Health ("DOH") is seeking competitive proposals from qualified contractors to provide services and conduct Level II Pre-Admission Screening and Resident Review (PASRR) Evaluations as further detailed in Section 3.0 (Scope of Work). It is the Department's intent to award one (1) contract from this procurement.

2.1 Introductory Background

Congress enacted sweeping reform to nursing home provisions in the Omnibus Budget Reconciliation Act ("OBRA") of 1987. Included in the legislation was a Medicaid provision that prohibits nursing facilities ("NF") from admitting any person with mental illness ("MI"), intellectual disabilities (ID), or a related condition, unless the person has been evaluated by the State PASRR program and determined to need and desire placement in a nursing facility.

The PASRR program includes an evaluation of NF applicants and residents with MI/ID. Based on the data and evaluation, State Mental Health and Intellectual Disabilities authorities determine whether the person needs NF services or specialized services for their MI/ID beyond those that can be commonly provided by the NF. State Medicaid agencies are required to provide or arrange for needed specialized services. In NYS, specialized services may only be provided by an Institution for Mental Diseases (IMD) or a psychiatric hospital. Nursing facilities are prohibited from providing specialized services and may neither admit nor retain those individuals for whom a specialized services recommendation has been made.

The PASRR program was implemented in New York State in 1989. A year following State implementation, the OBRA of 1990 modified the PASRR obligation and added a requirement for states to annually report to the Centers for Medicare and Medicaid Services (CMS), the number and disposition (placement) of NF residents who, based on the PASRR evaluation, had to be discharged. The legislation also added a requirement for NFs to notify the State Mental Health and Intellectual Disabilities authorities promptly after a significant change in the physical or mental status of a resident with MI/ID. The appropriate State Authority was directed to conduct the resident's review (RR) promptly after receiving such notification.

In 1995, a statutory change was enacted that resulted in the deletion of the annual resident review. To date, this statutory amendment has not been transferred into regulation under 42 CFR 483.114 (c).

Each state's PASRR program must provide that all NF applicants or residents with MI/ID, regardless of the source of payment, be evaluated to determine the level of services to be provided; the most appropriate, least restricted setting in which those services can be provided; and if specialized services for MI/ID is required.

The New York State (NYS) Office of People with Developmental Disabilities (OPWDD) has the responsibility to ensure that PASRR reviews are conducted for NF applicants and residents with ID or a related diagnosis. The local Developmental Disabilities Services Offices (DDSO) maintains responsibility for conducting PASRR Level II Evaluations for those individuals with possible ID.

The NYS Office of Mental Health (OMH) is responsible for ensuring PASRR Level II Evaluations are conducted for:

- persons known or suspected of having mental illness (MI) and who are seeking admission to a nursing facility (NF) certified under the Medicaid program;
- residents of a NF who are newly diagnosed with a mental illness; and,
- residents of a NF who have been identified as having MI and have experienced a significant change in their physical or mental condition.
OMH delegated this function to DOH. This Request for Proposal (RFP) will result in a contract to comply with Federal Regulations 42 CFR Section 483.128 through 42 CFR Section 483.134.

For purposes of this RFP, a “significant change” in the resident’s physical or mental condition will affect the individual’s disability-specific needs. As described at The PASRR Technical Assistance Center, http://www.pasrassist.org/resources/mds-30/what-considered-significant-change-condition, a “significant change” is a decline or improvement in a resident’s status that:

- will not normally resolve itself without intervention by staff or by implementing standard disease-related clinical interventions, is not “self-limiting” (for declines only);
- impacts more than one area of the resident’s health status; and,
- requires interdisciplinary review and/or revision of the person-centered care plan.

The evaluator will examine the data that will allow for validation of a diagnosis of MI and will assist in determining whether a program of specialized psychiatric services is needed. If specialized psychiatric services are not needed, the evaluator will identify the need for mental health services of a lesser intensity (SLI), and provide a recommendation for placement in the least restricted, most integrated setting consistent with the resident’s desires and resident specific physical and behavioral health needs.

Federal PASRR legislative authority includes but is not limited to:

- Public Law 104-315 which amended § 1919(e)(7) of the Social Security Act.
- Federal Regulations 42 CFR Part 483, Subparts C and E.
- Medicaid State Operations Letter 96-30: Amendment of the PASRR Program

NYS PASRR legislative authority includes Social Service Law § 363a.

2.2 New York State PASRR Program

2.2.1 Level I Review

Federal regulations require the State PASRR program to identify all NF applicants and residents with a possible MI or ID diagnosis (i.e. all individuals who are required to be evaluated under PASRR). This function is completed through the Level I review process. Qualified personnel in hospitals, nursing facilities, certified home health agencies, long term home health care programs, and other community-based agencies perform the Level I review using the Department’s SCREEN instrument (Form DOH-695 (2/2009)), found at http://www.health.ny.gov/forms/, under “SCREEN/PASRR.”

The entity responsible for completing the Level I review will notify the Contractor of those NF applicants or residents with a MI for whom the Contractor must perform Level II Evaluations.

2.2.2 Level II Review

For those individuals requiring a Level II Evaluation, the Contractor determines the level and type of services needed following the evaluation. If the Contractor determines the applicant or resident requires specialized services for MI, NF placement will be deemed inappropriate. Recommendations for Specialized Services will only be made after the OMH Clinical Director determines the appropriateness of the recommendation. Therefore, the Contractor will be responsible to forward all applicable material reviewed during its evaluation to the OMH Clinical Director for review.
Determinations for both NF applicants and residents must be based on independent physical and mental evaluations performed by a person or entity other than OMH. The person or entity may not be a NF staff or have a direct or individual relationship with a NF. The determination must consider the need for NF services and specialized services beyond what a NF can provide. This responsibility has been delegated to DOH and its Contractor and therefore supports the necessity for this RFP.

Level II Evaluations are described in detail in Federal Regulations 42 CFR Section 483.128 through 42 CFR Section 483.134.

2.3  Important Information

The bidder is required to review, and is requested to have legal counsel review, Attachment E, the DOH Agreement as the Bidder must be willing to enter into an Agreement substantially in accordance with the terms of Attachment E should the bidder be selected for contract award. Please note that this RFP and the awarded bidder’s proposal will become part of the contract as Appendix B and C, respectively.

It should be noted that Appendix A of Attachment E, “Standard Clauses for New York State Contracts”, contains important information related to the contract to be entered into as a result of this RFP and will be incorporated, without change or amendment, into the contract entered into between DOH and the successful Bidder. By submitting a response to the RFP, the Bidder agrees to comply with all the provisions of Appendix A.

Note, Attachment A, the Bidder’s Certifications/Acknowledgements, should be submitted and includes a statement that the bidder accepts, without any added conditions, qualifications or exceptions, the contract terms and conditions contained in this RFP including any exhibits and attachments. It also includes a statement that the bidder acknowledges that, should any alternative proposals or extraneous terms be submitted with the proposal, such alternate proposals or extraneous terms will not be evaluated by the DOH.

Any qualifications or exceptions proposed by a bidder to this RFP should be submitted in writing using the process set forth in Section 5.2 (Questions) prior to the deadline for submission of written questions indicated in Section 1.0 (Calendar of Events). Any amendments DOH makes to the RFP as a result of questions and answers will be publicized on the DOH web site.

2.4  Term of the Agreement

This contract term is expected to be for a period of five (5) years, commencing on the date shown on the Calendar of Events in Section 1.0, subject to the availability of sufficient funding, successful contractor performance, and approvals from the New York State Attorney General (AG) and the Office of the State Comptroller (OSC).

3.0  SCOPE OF WORK

This Section describes the services that are required to be provided by the selected bidder. The selected bidder must be able to provide all of these services throughout the contract term.

PLEASE NOTE: Bidders will be required to provide responses that address all of the requirements of this RFP as part of its Technical Proposal.
For purposes of this RFP, the use of the terms “shall”, “must” and “will” are used interchangeably when describing the Contractor’s/Bidder’s duties. The terms bidders, vendors and proposers are also used interchangeably.

3.1 Performance Standards/Expectations

- The Contractor will be responsible for ensuring that all requirements of §§483.100-138 are met;
- Performing Level II Evaluations (Attachment L, Preadmission Screen Resident Review (PASRR) NYS Level II Adult Mental Health Evaluation Report, which is a DOH form), consistent with Federal and NYS PASRR requirements; and,
- Assuring that placement options comply with §§483.130(m) and 483.118 within the applicable timeframes described in Section 3.2.

These PASRR Level II Evaluations will be conducted for:

- persons known or suspected of having mental illness (MI) and who are seeking admission to a nursing facility (NF) certified under the Medicaid program;
- residents of a NF who are newly diagnosed with a mental illness; and,
- residents of a NF who have been identified as having MI and have experienced a significant change (improvement or decline) in their physical or mental condition.

3.2 Tasks

The contractor must perform the following consistent with the performance standards/expectations listed above:

- Evaluate all NF applicants or residents with a MI, or suspected to have a MI, who are referred to the Contractor, regardless of whether the applicant or resident is eligible for Medicaid as the source of payment for the NF services. The average number of reviews for 2015 was 162 per month.

- If an individual has both an MI and ID diagnosis, the initial referral should be based on the criteria identified in the Instruction Manual for SCREEN Form: DOH-695 (2/2009), and Revised Page 4 of Instruction Manual for SCREEN Form: DOH-695 (2/2009), which may be found on the DOH website at http://www.health.ny.gov/forms/#SCREEN/PASRR.

- Evaluate the applicant or resident via an in-person meeting. The evaluation must be face-to-face in the hospital, NF, or other setting in which the NF applicant or resident is receiving care, or in the NF applicant’s home, if he or she is residing in the community. If the resident is a beneficiary of NYS Medicaid and residing in a facility outside NYS, the Contractor must make reasonable effort to complete such evaluation in-person. If the Contractor cannot conduct the in-person evaluation, the NYS DOH must be contacted. The DOH will retain express authority and will make the decision and provide the approval for any alternate means of conducting the Level II evaluation.

- Ensure that, for NF applicants for whom the Contractor is recommending specialized services, the Contractor completes Level II Evaluations and forward required documents to the OMH clinical director within five (5) business days after the day on which the entity that performed the Level I Screen referred the applicant to the Contractor for a Level II Evaluation; [Note: Level II Determinations must be made within an annual average of 7-9 working days after the notification of a referral from Level I [483.106(c)]].

- Ensure that, for NF residents, the Contractor completes Level II Evaluations within five (5) business days of receiving notice from a NF that there has been a significant change in a
resident’s mental or physical condition. The NF will perform a Level I review for residents who have exhibited such changes, and/or those residents who are newly diagnosed, and will notify the Contractor when a Level II Evaluation is indicated.

- Ensure that the person who performs the Level II Evaluation assesses whether the individual’s total needs can be met in an appropriate community setting with the appropriate supports as documented on the NYS Level II Adult Mental Health Evaluation Report.
- Ensure that the person who performs the Level II Evaluation assesses whether a NF applicant or a resident with MI requires specialized services based on the definition of specialized services (Attachment L).
- Ensure that the person who performs the Level II Evaluation assesses whether a NF applicant or a resident with MI requires services of lesser intensity (SLI) rather than specialized services.
- Have a Quality Assurance/Process Improvement system in place to assure the appropriateness of evaluator recommendations and to take the appropriate corrective action, including but not limited to, individualized and periodic evaluator education and competency review (administrative and on-site reviews) necessary to support the goals of the PASRR process.
- Ensure that PASRR Reports are forwarded in accordance with federal regulations to the;
  - Evaluated individual and his/her legal representative (and interpreted [483.128(k)]);
  - State Mental Health Authority, as appropriate, within in required times; [483.112(c)]
  - Admitting or retaining NF; (or other placement);
  - Persons’ attending physician;
  - The discharging hospital, if applicable; and
  - Filed in the resident’s current medical records. [130(j)]

- The contractor shall provide technical and business process support as necessary and required by the Department to transition and assume contract requirements to the Department or another Department agent of the PASRR Level II Evaluation program should that be required during or at the end of the contract.

- The contractor is required to develop a plan to securely and smoothly transfer any records and databases referenced in this section to the Department or another Department agent should that be required during or upon expiration of its contract. The plan shall include all documentation related to the applied solutions such as the database detailing the software used, the structure and format of all data in the databases, the field definitions and the identifiers, etc., if applicable. The plan and documentation must be submitted to the Department no later than four (4) months before the last day of its contract with the Department of Health or upon request of the Department.

- The contractor’s organization, employees, subcontractors and volunteers will implement and maintain policies, an internal control process for oversight and monitoring and procedures to assure the confidentiality of personal identifiable data and protected health information.

### 3.3 Hearing and Appeal System

Each State must provide a hearing and appeal system for any individual who has a PASRR determination made in the context of either a pre-admission screening or resident review under subpart C of Part 483 to appeal that determination. The Contractor must ensure that a notice of determination must include notice of the individual’s right to appeal the determination. In addition, the Contractor is responsible to furnish copies of all relevant material necessary for the hearing to both the Court and to the appellant at no additional cost to the appellant. The Contractor must make staff available to participate, either
telephonically or in person for each scheduled hearing. (There have been approximately 20-30 requests per year over the past 2 years.)

### 5.5 Minority & Woman-Owned Business Enterprise Requirements

Pursuant to New York State Executive Law Article 15-A, the New York State Department of Health ("DOH") recognizes its obligation to promote opportunities for maximum feasible participation of certified minority-and women-owned business enterprises and the employment of minority group members and women in the performance of DOH contracts.

In 2006, the State of New York commissioned a disparity study to evaluate whether minority and women-owned business enterprises had a full and fair opportunity to participate in state contracting. The findings of the study were published on April 29, 2010, under the title "The State of Minority and Women-Owned Business Enterprises: Evidence from New York" ("Disparity Study"). The report found evidence of statistically significant disparities between the level of participation of minority-and women-owned business enterprises in state procurement contracting versus the number of minority-and women-owned business enterprises that were ready, willing and able to participate in state procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the statewide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that DOH establish goals for maximum feasible participation of New York State Certified minority- and women – owned business
enterprises ("MWBE") and the employment of minority groups members and women in the performance of New York State contracts.

5.5.1 Business Participation Opportunities for MWBEs

For purposes of this solicitation, DOH hereby establishes an overall goal of 0% for MWBE participation, 0% for Minority-Owned Business Enterprises ("MBE") participation and 0% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs and outreach efforts to certified MWBE firms). A contractor ("Contractor") on the subject contract ("Contract") must document good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract and Contractor agrees that DOH may withhold payment pending receipt of the required MWBE documentation. For guidance on how DOH will determine “good faith efforts,” refer to 5 NYCRR §142.8.

5.6 Equal Employment Opportunity (EEO) Reporting

By submission of a bid in response to this solicitation, the Bidder agrees with all of the terms and conditions of Attachment E Appendix A including Clause 12 - Equal Employment Opportunities for Minorities and Women. Additionally, the successful bidder will be required to certify they have an acceptable EEO (Equal Employment Opportunity) policy statement in accordance with Section III of Appendix M in Attachment E.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

The Contractor is required to ensure that it and any subcontractors awarded a subcontract over $25,000 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the Contractor, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

To ensure compliance with this Section, the Bidder should submit with the bid or proposal an Equal Employment Opportunity Staffing Plan (Attachment F, Form #4) identifying the anticipated work force to be utilized on the Contract. Additionally, the Bidder should submit a Minority and Women-Owned Business Enterprises and Equal Employment Opportunity Policy Statement (Attachment F, Form # 5), to DOH with their bid or proposal.

5.7 Sales and Compensating Use Tax Certification (Tax Law, § 5-a)

Section 5-a of the Tax Law, as amended, effective April 26, 2006, requires certain contractors awarded state contracts for commodities, services and technology valued at more than $100,000 to certify to the Department of Tax and Finance (DTF) that they are registered to collect New York State and local sales and compensating use taxes. The law applies to contracts where the total amount of such contractors’ sales delivered into New York State are in excess of $300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates and subcontractors
whose sales delivered into New York State exceeded $300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made.

This law imposes upon certain contractors the obligation to certify whether or not the contractor, its affiliates, and its subcontractors are required to register to collect state sales and compensating use tax and contractors must certify to DTF that each affiliate and subcontractor exceeding such sales threshold is registered with DTF to collect New York State and local sales and compensating use taxes. The law prohibits the State Comptroller, or other approving agencies, from approving a contract awarded to an offerer meeting the registration requirements but who is not so registered in accordance with the law.

The successful Bidder must file a properly completed Form ST-220-CA with the Department of Health and Form ST-220-TD with the DTF. These requirements must be met before a contract may take effect. Further information can be found at the New York State Department of Taxation and Finance’s website, available through this link: http://www.tax.ny.gov/pdf/publications/sales/pub223.pdf. Forms are available through these links:

5.8 Workers’ Compensation and Disability Benefits Certifications

Sections 57 and 220 of the New York State Workers’ Compensation Law (WCL) provide that DOH shall not enter into any contract unless proof of workers’ compensation and disability benefits insurance coverage is produced. Prior to entering into a contract with DOH, successful Bidders will be required to verify for DOH, on forms authorized by the New York State Workers’ Compensation Board, the fact that they are properly insured or are otherwise in compliance with the insurance provisions of the WCL. The forms to be used to show compliance with the WCL are listed below. Any questions relating to either workers’ compensation or disability benefits coverage should be directed to the State of New York Workers’ Compensation Board, Bureau of Compliance at (518) 486-6307. Failure to provide verification of either of these types of insurance coverage by the time contracts are ready to be executed will be grounds for disqualification of an otherwise successful Proposal.

The successful Bidder must submit the following documentation to the department before a contract may take effect.

ONE of the following forms as Workers’ Compensation documentation:

A. **Proof of Workers’ Compensation Coverage:**

1. **Form C-105.2** – Certificate of Workers’ Compensation Insurance issued by private insurance carrier (or Form U-26.3 issued by the State Insurance Fund); or

3. **Form CE-200** – Certificate of Attestation of Exemption from New York State Workers’ Compensation and/or Disability Benefits Coverage.

ONE of the following forms as Disability documentation:

Further information is available at the Workers’ Compensation Board’s website, which can be accessed through this link: http://www.wcb.ny.gov.

5.9 Subcontracting

Bidders may propose the use of a subcontractor. The Contractor shall obtain prior written approval from NYSDOH before entering into an agreement for services to be provided by a subcontractor. The Contractor is solely responsible for assuring that the requirements of the RFP are met. All subcontracts shall contain provisions specifying that the work performed by the subcontractor must be in accordance with the terms of the prime contract, and that the subcontractor specifically agrees to be bound by the confidentiality provisions set forth in the agreement between the DOH and the Contractor. DOH reserves the right to request removal of any bidder’s staff or subcontractor’s staff if, in DOH’s discretion, such staff is not performing in accordance with the Agreement. Subcontractors whose contracts are valued at or above $100,000 will be required to submit the Vendor Responsibility Questionnaire upon selection of the prime contractor.

5.10 DOH’s Reserved Rights

The Department of Health reserves the right to:

1. Reject any or all proposals received in response to the RFP;
2. Withdraw the RFP at any time, at the agency’s sole discretion;
3. Make an award under the RFP in whole or in part;
4. Disqualify any bidder whose conduct and/or proposal fails to conform to the requirements of the RFP;
5. Seek clarifications and revisions of proposals;
6. Use proposal information obtained through site visits, management interviews and the state’s investigation of a bidder’s qualifications, experience, ability or financial standing, and any material or information submitted by the bidder in response to the agency’s request for clarifying information in the course of evaluation and/or selection under the RFP;
7. Prior to the bid opening, amend the RFP specifications to correct errors or oversights, or to supply additional information, as it becomes available;
8. Prior to the bid opening, direct bidders to submit proposal modifications addressing subsequent RFP amendments;
9. Change any of the scheduled dates;
10. Eliminate any mandatory, non-material specifications that cannot be complied with by all of the prospective bidders;
11. Waive any requirements that are not material;
12. Negotiate with the successful bidder within the scope of the RFP in the best interests of the state;
13. Conduct contract negotiations with the next responsible bidder, should the Department be unsuccessful in negotiating with the selected bidder;
14. Utilize any and all ideas submitted in the proposals received;
15. Every offer shall be firm and not revocable for a period of three hundred and sixty-five days from the bid opening, to the extent not inconsistent with section 2-205 of the uniform commercial code. Subsequent to such three hundred and sixty-five days, any offer is subject to withdrawal communicated in a writing signed by the offerer; and
16. Require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of an offerer’s proposal and/or to determine an offerer’s compliance with the requirements of the solicitation.

5.11 Freedom of Information Law (“FOIL”)
All proposals may be disclosed or used by DOH to the extent permitted by law. DOH may disclose a proposal to any person for the purpose of assisting in evaluating the proposal or for any other lawful purpose. All proposals will become State agency records, which will be available to the public in accordance with the Freedom of Information Law. Any portion of the proposal that a Bidder believes constitutes proprietary information entitled to confidential handling, as an exception to the Freedom of Information Law, must be clearly and specifically designated in the proposal as directed in Section 6.1.4 of the RFP. If DOH agrees with the proprietary claim, the designated portion of the proposal will be withheld from public disclosure. Blanket assertions of proprietary material will not be accepted, and failure to specifically designate proprietary material may be deemed a waiver of any right to confidential handling of such material.

5.12 Lobbying

Chapter 1 of the Laws of 2005, as amended by Chapter 596 of the Laws of 2005, made significant changes as it pertains to development of procurement contracts with governmental entities. The changes included:

a) made the lobbying law applicable to attempts to influence procurement contracts once the procurement process has been commenced by a state agency, unified court system, state legislature, public authority, certain industrial development agencies and local benefit corporations;

b) required the above mentioned governmental entities to record all contacts made by lobbyists and contractors about a governmental procurement so that the public knows who is contacting governmental entities about procurements;

c) required governmental entities to designate persons who generally may be the only staff contacted relative to the governmental procurement by that entity in a restricted period;

d) authorized the New York State Commission on Public Integrity, (now New York State Joint Commission on Public Ethics), to impose fines and penalties against persons/organizations engaging in impermissible contacts about a governmental procurement and provides for the debarment of repeat violators;

e) directed the Office of General Services to disclose and maintain a list of non-responsible bidders pursuant to this new law and those who have been debarred and publish such list on its website;

f) required the timely disclosure of accurate and complete information from offerers with respect to determinations of non-responsibility and debarment; (Bidders responding to this RFP should submit a completed and signed Attachment G, “Prior Non-Responsibility Determination.”)

g) increased the monetary threshold which triggers a lobbyists obligations under the Lobbying Act from $2,000 to $5,000; and,

h) established the Advisory Council on Procurement Lobbying.

Subsequently, Chapter 14 of the Laws of 2007 amended the Lobbying Act of the Legislative Law, particularly as it related to specific aspects of procurements as follows: (i) prohibiting lobbyists from entering into retainer agreements on the outcome of government grant making or other agreement involving public funding; and (ii) reporting lobbying efforts for grants, loans and other disbursements of public funds over $15,000.
The most notable, however, was the increased penalties provided under Section 20 of Chapter 14 of the Laws of 2007, which replaced old penalty provisions and the addition of a suspension option for lobbyists engaged in repeated violations. Further amendments to the Lobbying Act were made in Chapter 4 of the Laws of 2010.

Questions regarding the registration and operation of the Lobbying Act should be directed to the New York State Joint Commission on Public Ethics.

In accordance with New York State Finance Law Section 163(4)(g), State agencies must require all contractors, including subcontractors, that provide consulting services for State purposes pursuant to a contract to submit an annual employment report for each such contract.

The successful bidder for procurements involving consultant services must complete a "State Consultant Services Form A, Contractor's Planned Employment From Contract Start Date through End of Contract Term" in order to be eligible for a contract.

The successful winning bidder must also agree to complete a "State Consultant Services Form B, Contractor's Annual Employment Report" for each state fiscal year included in the resulting contract. This report must be submitted annually to the Department of Health, the Office of the State Comptroller, and Department of Civil Service.

State Consultant Services Form A: Contractor’s Planned Employment and Form B: Contractor’s Annual Employment Report may be accessed electronically at:

5.14 Debriefing

Once an award has been made, bidders may request a debriefing of their proposal. Please note the debriefing will be limited only to the strengths and weaknesses of the bidder’s proposal, and will not include any discussion of other proposals. Requests must be received no later than ten (10) business days from date of award or non-award announcement.

5.15 Protest Procedures

In the event unsuccessful bidders wish to protest the award resulting from this RFP, bidders should follow the protest procedures established by the Office of the State Comptroller (OSC). These procedures can be found in Chapter XI Section 17 of the Guide to Financial Operations (GFO). Available on-line at:
http://www.osc.state.ny.us/agencies/guide/MyWebHelp/

5.16 Iran Divestment Act

By submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Bidder/Contractor (or any assignee) certifies that it is not on the “Entities Determined To Be Non-Responsive Bidders/Offerers Pursuant to The New York State Iran Divestment Act of 2012” list (“Prohibited Entities List”) posted on the OGS website (currently found at this address: http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf) and further certifies that it will not utilize on such
Contract any subcontractor that is identified on the Prohibited Entities List. Additionally, Bidder/Contractor is advised that should it seek to renew or extend a Contract awarded in response to the solicitation, it must provide the same certification at the time the Contract is renewed or extended.

During the term of the Contract, should DOH receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, DOH will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then DOH shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, seeking compliance, recovering damages, or declaring the Contractor in default. DOH reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

5.17 Piggybacking

New York State Finance Law section 163(10)(e) (see also http://www.ogs.ny.gov/purchase/snt/sflxi.asp) allows the Commissioner of the NYS Office of General Services to consent to the use of this contract by other New York State Agencies, and other authorized purchasers, subject to conditions and the Contractor’s consent.

5.18 Encouraging Use of New York Businesses in Contract Performance

Public procurements can drive and improve the State’s economic engine through promotion of the use of New York businesses by its contractors. New York State businesses have a substantial presence in State contracts and strongly contribute to the economies of the state and the nation. In recognition of their economic activity and leadership in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. All bidders should complete Attachment H, Encouraging Use of New York Businesses in Contract Performance, to indicate their intent to use/not use New York Businesses in the performance of this contract.

5.19 Diversity Practices Questionnaire

Diversity practices are the efforts of contractors to include New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) in their business practices. Diversity practices may include past, present, or future actions and policies, and include activities of contractors on contracts with private entities and governmental units other than the State of New York. Assessing the diversity practices of contractors enables contractors to engage in meaningful, capacity-building collaborations with MWBEs. All bidders should complete Diversity Practices Questionnaire, Attachment K.

The average number of reviews for 2015 was 162 per month.

   • If an individual has both an MI and ID diagnosis, the initial referral should be based on the criteria identified in the Instruction Manual for SCREEN Form: DOH-695 (2/2009), and Revised Page 4 of Instruction Manual for SCREEN Form: DOH-695 (2/2009), which may be found on the DOH website at http://www.health.ny.gov/forms/#S, under “SCREEN/PASRR.”

2. Bidder should submit a plan and describe how they will evaluate the applicant or resident via an in-person meeting. The evaluation must be face-to-face in the hospital, NF, or other setting in which the NF applicant or resident is receiving care, or in the NF applicant's home, if he or she is residing in the community. If the resident is a beneficiary of NYS Medicaid and residing in a facility outside NYS, the Contractor must make reasonable effort to complete such evaluation in-person. If the Contractor cannot conduct the in-person evaluation, the NYS DOH must be contacted. The DOH will retain express authority and will make the decision and provide the approval for any
alternate means of conducting the Level II evaluation.

In these out-of-state instances, the Contractor should work with the resident’s out of state healthcare professionals and placement coordinator to collect and review all of the necessary documents. The anticipated number of reviews conducted for out of state NYS Medicaid recipients is approximately 15 per year. The Contractor may, on rare occasions complete a phone interview, only upon express permission from the DOH.

4. Bidder should submit a plan and describe how they will ensure that, for NF applicants who are recommended for specialized services, the Contractor completes Level II Evaluations and forward required documents to the OMH clinical director within five (5) business days after the day on which the entity that performed the Level I Screen referred the applicant to the Contractor for a Level II Evaluation; [Note: Level II Determinations must be made within an annual average of 7-9 working days after the notification of a referral from Level I [483.106(c)].]

5. Bidder should submit a plan and describe how they will ensure that, for NF residents, the Contractor completes Level II Evaluations within five (5) business days of receiving notice from a NF that there has been a significant change in a resident’s mental or physical condition. The NF will perform a Level I review for residents who have exhibited such changes, and/or those residents who are newly diagnosed, and will notify the Contractor when a Level II Evaluation is indicated.

6. Bidder should submit a plan and describe how they will ensure that the person who performs the Level II Evaluation assesses whether the individual’s total needs can be met in an appropriate community setting with the appropriate supports as documented on the NYS Level II Adult Mental Health Evaluation Report.

7. Bidder should submit a plan and describe how they will ensure that the person who performs the Level II Evaluation assesses whether a NF applicant or a resident with MI requires specialized services based on the definition of specialized services (Attachment L).

8. Bidder should submit a plan and describe how they will ensure that the person who performs the Level II Evaluation assesses whether a NF applicant or a resident with MI requires services of lesser intensity (SLI) rather than specialized services.

9. Bidder should describe their Quality Assurance/Process Improvement system in place to assure the appropriateness of evaluator recommendations and to take the appropriate corrective action, including but not limited to, individualized and periodic evaluator education and competency review (administrative and on-site reviews) necessary to support the goals of the PASRR process.

10. Bidder should submit a plan and describe how they will ensure that PASRR Reports are forwarded in accordance with federal regulations to the:

   i. Evaluated individual and his/her legal representative (and interpreted [483.128(k)]);

   ii. State Mental Health Authority, as appropriate, within in required times [483.112(c)]:

23
iii. Admitting or retaining NF; (or other placement);
iv. Persons' attending physician;
v. The discharging hospital, if applicable; and,
vi. Filed in the resident's current medical records [130(jj)].

12. Bidder should provide a description of how their organization, employees, subcontractors and volunteers will implement and maintain policies, an internal control process for oversight and monitoring and procedures to assure the confidentiality of personal identifiable data and information or records pertaining to the patient.

13. Bidder should provide data confidentiality plans and procedures as well as a plan for meeting HIPAA requirements as they relate to the RFP, including all plans as they relate to subcontractor work where applicable. Describe procedures the bidder will use to ensure the confidentiality of all information collected by the bidder or subcontractors.

6.2.6 Hearing and Appeal System:

The bidder should describe how they will meet the following:

Each State must provide a hearing and appeal system for any individual who has a PASRR determination made in the context of either a pre-admission screening or resident review under subpart C of Part 483 to appeal that determination. The Contractor must ensure that a notice of determination must include notice of the individual's right to appeal the determination. In addition, the Contractor is responsible to furnish copies of all relevant material necessary for the hearing to both the Court and to the appellant at no additional cost to the appellant. The Contractor must make staff available to participate, either telephonically or in person for each scheduled hearing. (There have been approximately 20-30 requests per year over the past 2 years)

6.2.7 Quarterly Quality Assurance Review:

The bidder should describe how they will meet the following:

The Contractor is required to conduct a quarterly quality assurance review to assure that the recommendations made by the PASRR Contractor are appropriate and conform to Federal and State requirements. The random sample must represent at least 10% of NF residents who have had a Level II evaluation performed, who have been determined to need mental health SLI rather than specialized services, and must include a random sample of the Contractor’s evaluations.

- recruit and train an adequate number of appropriately trained and qualified individuals;
- Bidder’s ability to adjust resources to accommodate fluctuation in evaluations by
geographic regions; and,

- bidder’s ability to provide staff to carry out the projected workload during each contract year and how they will provide staff to meet the scope of work over the entire contract period.

The bidder should provide a description of how they will ensure that only the following licensed persons perform Level II evaluations:

- A NYS licensed psychologist who has experience (within the past 3 years) in performing comprehensive psychiatric evaluations.

NOTE: Resumes are not required and will not be evaluated.

6.2.9 Reporting Requirements

- key individuals; and,
- the relationship of the organization to performance of the Level II comprehensive psychiatric evaluations (including any subcontractor).

Describe the Bidder’s experience with Level II comprehensive psychiatric evaluations and similar MI/DD examinations. Specify any experience in these areas which was related to the long term care system. Describe governmental experience, documented program development and service delivery targeting special needs population. Detail any special techniques, skills and abilities the organization considers necessary to accomplish the RFP requirements.

6.3 Cost Proposal

Submit a completed and signed Attachment C – Cost Proposal. The Cost Proposal shall comply with the format and content requirements as detailed in this document and in Attachment C. Failure to comply with the format and content requirements may result in disqualification.

The bid price is to cover the cost of furnishing all of the said services, including but not limited to materials, equipment, profit, training and labor to the satisfaction of the Department of Health and the performance of all work set forth in said specifications.
7.0 PROPOSAL SUBMISSION

A proposal consists of three distinct parts: (1) the Administrative Proposal, (2) the Technical Proposal, and (3) the Cost Proposal. The table below outlines the required format and volume for submission of each part. Proposals should be submitted in all formats as prescribed below.

</tbody>
</table>

- All hard copy proposal materials should be printed on 8.5” x 11” white paper (two-sided) and be clearly page numbered on the bottom of each page with appropriate header and footer information. A type size of eleven (11) points or larger should be used. The Technical Proposal materials should be presented in three-ring binder(s) separate from the sealed Cost Proposal. The sealed Cost Proposal should also be presented in separate three-ring binder(s);
- Where signatures are required, the proposals designated as originals should have a handwritten signature and be signed in ink.
- The NYSDOH discourages overly lengthy proposals. Therefore, marketing brochures, user manuals or other materials, beyond that sufficient to present a complete and effective proposal, are not desired. Elaborate artwork or expensive paper is not necessary or desired. In order for the NYSDOH to evaluate proposals fairly and completely, proposals should follow the format described in this RFP to provide all requested information. The Bidder should not repeat information in more than one section of the proposal. If information in one section of the proposal is relevant to a discussion in another section, the Bidder should make specific reference to the other section rather than repeating the information.
- Audio and/or videotapes are not allowed. Any submitted audio or videotapes will be ignored by the evaluation team.
- In the event that a discrepancy is found between the electronic and hardcopy proposal, the original hardcopy will prevail.

The proposal must be received by the NYSDOH, no later than the Deadline for Submission of Proposals specified in Section 1.0, (Calendar of Events). Late bids will not be considered.

Proposals should be submitted in three (3) separate, clearly labeled packages: (1) Administrative Proposal, a (2) Technical Proposal and (3) Cost Proposal, prepared in accordance with the requirements stated in this RFP. Mark the outside envelope of each proposal as “RFP# 16476 Pre-Admission Screen Resident Review (PASSR) Level II Evaluation (Administrative) (Technical) or (Cost) Proposal submitted by (Bidder’s name)”. The three sealed proposals may be combined into one mailing, if desired.

Proposals must be submitted, by U.S. Mail, by courier/delivery service (e.g., FedEx, UPS, etc.) or by hand as noted below, in a sealed package to:

Department of Health RFP # 16476
Attention: Heidi Seney
NOTE: You should request a receipt containing the time and date received and the signature of the receiver for all hand-deliveries and ask that this information also be written on the package(s).

Submission of proposals in a manner other than as described in these instructions (e.g., fax, electronic transmission) will not be accepted.

7.1 No Bid Form
Bidders choosing not to bid are requested to complete the No-Bid form Attachment I.

8.0 EVALUATION PROCESS/CRITERIA

8.1 General Information
DOH will evaluate each proposal based on the “Best Value” concept. This means that the proposal that best “optimizes quality, cost, and efficiency among responsive and responsible offerers” shall be selected for award (State Finance Law, Article 11, §163(1)(j)).

DOH at its sole discretion, will determine which proposal(s) best satisfies its requirements. DOH reserves all rights with respect to the award. All proposals deemed to be responsive to the requirements of this procurement will be evaluated and scored for technical qualities and cost. Proposals failing to meet the requirements of this document may be eliminated from consideration. The evaluation process will include separate technical and cost evaluations, and the result of each evaluation shall remain confidential until both evaluations have been completed and a selection of the winning proposal is made.

The evaluation process will be conducted in a comprehensive and impartial manner, by an Evaluation Committee. The Technical Proposal and compliance with other RFP requirements (other than the Cost Proposal) will be weighted 70% of a proposal’s total score and the information contained in the Cost Proposal will be weighted 30% of a proposal’s total score.

Bidders may be requested by DOH to clarify the contents of their proposals. Other than to provide such information as may be requested by DOH, no Bidder will be allowed to alter its proposal or add information after the Deadline for Submission of Proposals listed in Section 1.0 (Calendar of Events).

In the event of a tie, the determining factors for award, in descending order, will be: (1) lowest cost and (2) experience.

8.2 Submission Review
DOH will examine all proposals that are received in a proper and timely manner to determine if they meet the proposal submission requirements, as described in Section 6.0 (Proposal Content) and Section 7.0 (Proposal Submission), and include the proper documentation, including all documentation required for the Administrative Proposal, as stated in this RFP. Proposals that are materially deficient in meeting the submission requirements or have omitted material documents, in the sole opinion of DOH, may be rejected.

8.3 Technical Evaluation (70%)
The evaluation process will be conducted in a comprehensive and impartial manner. A Technical Evaluation Committee comprised of program staff of DOH will review and evaluate all proposals.
The Technical Evaluation Committee members will independently score each Technical Proposal that meets the submission requirements of this RFP. The individual Committee Member scores will be averaged to calculate the Technical Score for each responsive Bidder. The scores will be normalized by using the following formulas:

\[ Z = \frac{X}{Y} \times 70\% \]

X is the average raw technical score of the proposal being scored;
Y is the average raw technical score of the highest raw Technical Proposal; and
Z is the Technical score.

The technical evaluation is 70% of the final score.

8.4 Cost Evaluation (30%)

The Cost Evaluation Committee will examine the Cost Proposal documents. The Cost Proposals will be opened and reviewed for responsiveness to cost requirements. If a cost proposal is found to be non-responsive, that proposal may not receive a cost score and may be eliminated from consideration.

Each proposal that meets the submission requirements, and meets the cost proposal requirements will receive a cost score. The Cost Proposals will be scored based on a maximum cost score of 30 points. The maximum cost score will be allocated to the proposal with the lowest all-inclusive not-to-exceed maximum price. All other responsive proposals will receive a proportionate score based on the relation of their Cost Proposal to the proposals offered at the lowest final cost, using this formula:

\[ C = \frac{A}{B} \times 30\% \]

A is Total price of lowest cost proposal;
B is Total price of cost proposal being scored; and
C is the Cost score.

The cost evaluation is 30% of the final score.

8.5 Composite Score

A composite score will be calculated by the DOH by adding the Technical Proposal points and the Cost points awarded. Finalists will be determined based on composite scores.

8.6 Reference Checks

The Bidder should submit references using Attachment D (References). At the discretion of the Evaluation Committee, references may be checked at any point during the process to verify bidder qualifications to propose (Section 4.0).

8.7 Best and Final Offers

NYSDOH reserves the right to request best and final offers. In the event NYSDOH exercises this right, all bidders that submitted a proposal that met the minimum mandatory requirements and are susceptible to award will be asked to provide a best and final offer. Bidders will be informed that should they choose not to submit a best and final offer, the offer submitted with their proposal will be construed as their best and final offer.

8.8 Award Recommendation

The Evaluation Committee will submit a recommendation for award to the Finalist(s) with the highest composite score(s) whose experience and qualifications have been verified.
The Department will notify the awarded Bidder(s) and Bidders not awarded. The awarded Bidder(s) will enter into a written Agreement substantially in accordance with the terms of Attachment E, DOH Agreement, to provide the required services as specified in this RFP. The resultant contract shall not be binding until fully executed and approved by the New York State Office of the Attorney General and the Office of the State Comptroller.

## COST PROPOSAL

### Pre-Admission Screen Resident Review (PASRR) Level II Evaluation

Please use this form to detail the total cost of contract by developing a price per Level II Screen and total annual cost for each year.

The bidder must submit a price for each Level II Screen. The cost per screen should then be multiplied by the projected annual number of Level II Screens for each contract year (Years 1 -5). The price per screen is an all-inclusive price and must include the total cost of carrying out all the components of this statewide program RFP 16476 (see Section 3.0 Scope of Work and Section 5.4 Payment).

Once you have determined the Total Annual Cost for each year please combine the five (5) years for a Total Cost of Contract and enter that in the field below.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER’S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed $85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract.    c. No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

May 2013
NOTE: Chapter 675 of the Laws of New York for 1966 provides that every bid made to the state or any public department, agency or official thereof, where competitive bidding is required by statute, rule or regulation, for work or services performed or to be performed or goods sold or to be sold, shall contain the foregoing statement subscribed by the bidder and affirmed by such bidder as true under penalties of perjury.

A bid shall not be considered for award nor shall any award be made where (a), (b) and (c) above have not been complied with; provided however, that if in any case the bidder cannot make the foregoing certification, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefore. Where (a), (b) and (c) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the state, public department or agency to which the bid is made or its designee, determines that such disclosure was not made for the purpose of restricting competition. The fact that a bidder has published price lists, rates, or tariffs covering items being procured, has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or has sold the same items to other customers at the same price being bid, does not constitute, without more, a disclosure within the meaning of the above quoted certification.

Any bid made to the State or any public department, agency or official thereof by a corporate bidder for work or services performed or to be performed or goods, sold or to be sold, where competitive bidding is required by statute, rule or regulation and where such bid contains the certification set forth above shall be deemed to have been authorized by the board of directors of the bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.

J. A bidder may be disqualified from receiving awards if such bidder or any subsidiary, affiliate, partner, officer, agent or principal thereof, or anyone in its employ, has previously failed to perform satisfactorily in connection with public bidding or contracts.

K. The Department reserves the right to make awards within ninety (90) days after the date of the bid opening, during which period bids shall not be withdrawn unless the bidder distinctly states in the bid that acceptance thereof must be made within a shorter specified time.

L. Any contract entered into pursuant to this request for proposal will be considered a "Work for Hire Contract." The Department will be the sole owner of all source code and any software which is developed for use in the application software provided to the Department as a part of this contract.

M. Technology Purchases Notification --The following provisions apply if this Request for Proposal (RFP) seeks proposals for "Technology"

1. For the purposes of this policy, "technology" applies to all services and commodities, voice/data/video and/or any related requirement, major software acquisitions, systems modifications or upgrades, etc., that result in a technical method of achieving a practical purpose or in improvements of productivity. The purchase can be as simple as an order for new or replacement personal computers, or for a consultant to design a new system, or as complex as a major systems improvement or innovation that changes how an agency conducts its business practices.

2. If this RFP results in procurement of software over $20,000, or of other technology over $50,000, or where the department determines that the potential exists for coordinating purchases among State agencies and/or the purchase may be of interest to one or more other State agencies, PRIOR TO AWARD SELECTION, this RFP and all responses thereto are subject to review by the New York State Office for Technology.

3. Any contract entered into pursuant to an award of this RFP shall contain a provision which extends the terms and conditions of such contract to any other State agency in New York. Incorporation of this RFP into the resulting contract also incorporates this provision in the contract.

N. Date/Time Warranty

1. Definitions: For the purposes of this warranty, the following definitions apply:
"Product" shall include, without limitation: when solicited from a vendor in a State government entity's contracts, RFPs, IFBs, or mini-bids, any piece or component of equipment, hardware, firmware, middleware, custom or commercial software, or internal components or subroutines therein which perform any date/time data recognition function, calculation, comparing or sequencing. Where services are being furnished, e.g., consulting, systems integration, code or data conversion or data entry, the term "Product" shall include resulting deliverables.

a. "Third Party Product" shall include product manufactured or developed by a corporate entity independent from the vendor and provided by the vendor on a non-exclusive licensing or other distribution Agreement with the third party manufacturer. "Third Party Product" does not include product where vendor is: (a) a corporate subsidiary or affiliate of the third party manufacturer/developer; and/or (b) the exclusive re-seller or distributor of product manufactured or developed by said corporate entity.

2. Date/Time Warranty Statement

CONTRACTOR warrants that Product(s) furnished pursuant to this Contract shall, when used in accordance with the Product documentation, be able to accurately process date/time data (including, but not limited to, calculating, comparing, and sequencing) transitions, including leap year calculations. Where a CONTRACTOR proposes or an acquisition requires that specific Products must perform as a package or system, this warranty shall apply to the Products as a system.

Where CONTRACTOR is providing ongoing services, including but not limited to: i) consulting, integration, code or data conversion, ii) maintenance or support services, iii) data entry or processing, or iv) contract administration services (e.g., billing, invoicing, claim processing), CONTRACTOR warrants that services shall be provided in an accurate and timely manner without interruption, failure or error due to the inaccuracy of CONTRACTOR’s business operations in processing date/time data (including, but not limited to, calculating, comparing, and sequencing) various date/time transitions, including leap year calculations. CONTRACTOR shall be responsible for damages resulting from any delays, errors or untimely performance resulting therefrom, including but not limited to the failure or untimely performance of such services.

This Date/Time Warranty shall survive beyond termination or expiration of this contract through: a) ninety (90) days or b) the CONTRACTOR’s or Product manufacturer/developer’s stated date/time warranty term, whichever is longer. Nothing in this warranty statement shall be construed to limit any rights or remedies otherwise available under this Contract for breach of warranty.

O. No Subcontracting: Subcontracting by the CONTRACTOR shall not be permitted except by prior written approval of the Department of Health. All subcontracts shall contain provisions specifying that the work performed by the subcontractor must be in accordance with the terms of this AGREEMENT, and that the subcontractor specifically agrees to be bound by the confidentiality provisions set forth in the AGREEMENT between the STATE and the CONTRACTOR.

P. Superintendence by Contractor: The CONTRACTOR shall have a representative to provide supervision of the work which CONTRACTOR employees are performing to ensure complete and satisfactory performance with the terms of the Contract. This representative shall also be authorized to receive and put into effect promptly all orders, directions and instructions from the Department of Health. A confirmation in writing of such orders or directions will be given by the Department when so requested from the CONTRACTOR.

Q. Sufficiency of Personnel and Equipment: If the Department of Health is of the opinion that the services required by the specifications cannot satisfactorily be performed because of insufficient personnel, the Department shall have the authority to require the CONTRACTOR to use such additional personnel, to take such steps necessary to perform the services satisfactorily at no additional cost to the State.

R. Experience Requirements: The CONTRACTOR shall submit evidence to the satisfaction of the Department that it possesses the necessary experience and qualifications to perform the type of services required under this contract and must show that it is currently performing similar services. The CONTRACTOR shall submit at least two references to substantiate these qualifications.

2. If, in the judgment of the Department of Health, the CONTRACTOR acts in such a way which is likely to or does impair or prejudice the interests of the State, the Department acting on behalf of the State, shall thereupon have the right to terminate this agreement by giving notice in writing of the fact and date of such termination to the CONTRACTOR. In such case the CONTRACTOR shall receive equitable compensation for such services as shall, in the judgment of the State Comptroller, have been satisfactorily performed by the CONTRACTOR up to the date of the termination of this agreement, which such compensation shall not exceed the total cost incurred for the work which the CONTRACTOR was engaged in at the time of such termination, subject to audit by the State Comptroller.

U. Upon termination of this agreement, the following shall occur:

1. CONTRACTOR shall make available to the State for examination all data, records and reports relating to this Contract; and

2. Except as otherwise provided in the Contract, the liability of the State for payments to the CONTRACTOR and the liability of the CONTRACTOR for services hereunder shall cease.

V. Conflicts If, in the opinion of the Department of Health, (1) the specifications conflict, or (2) if the specifications are not clear as to (a) the method of performing any part of the work, or as to (b) the types of materials or equipment necessary, or as to (c) the work required to be done in every such situation, the CONTRACTOR shall be deemed to have based his bid upon performing the work and furnishing materials or equipment in the most inexpensive and efficient manner. If such conflicts and/or ambiguities arise, the Department of Health will furnish the CONTRACTOR supplementary information showing the manner in which the work is to be performed and the type or types of material or equipment that shall be used.

X. Certification Regarding Debarment and Suspension: Regulations of the Department of Health and Human Services, located at Part 76 of Title 45 of the Code of Federal Regulations (CFR), implement Executive Orders 12549 and 12689 concerning debarment and suspension of participants in federal programs and activities. Executive Order 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for non-procurement debarment and suspension. Executive Order 12689 extends the debarment and suspension policy to procurement activities of the federal government. A person who is debarred or suspended by a federal agency is excluded from federal financial and non-financial assistance and benefits under federal programs and activities, both directly (primary covered transaction) and indirectly (lower tier covered transactions). Debarment or suspension by one federal agency has government-wide effect.

Pursuant to the above-cited regulations, the New York State Department of Health (as a participant in a primary covered transaction) may not knowingly do business with a person who is debarred, suspended, proposed for debarment, or subject to other government-wide exclusion (including any exclusion from Medicare and State health care program participation on or after August 25, 1995), and the Department of Health must require its prospective contractors, as prospective lower tier participants, to provide the certification in Appendix B to Part 76 of Title 45 CFR, as set forth below:

1. APPENDIX B TO PART 76-CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION-LOWER TIER COVERED TRANSACTIONS

Instructions for Certification

a. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

b. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

c. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

d. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered Transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

e. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from
participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

f. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions.

g. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of parties Excluded from Federal Procurement and Non-procurement Programs.

h. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

i. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

2. Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions

   a. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily exclude from participation in this transaction by any Federal department agency.

   b. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Under the Act, the Commissioner of the Office of General Services (OGS) has developed a list (prohibited entities list) of “persons” who are engaged in “investment activities in Iran” (both are defined terms in the law). I. General Provisions

A. The New York State Department of Health is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 142-144 ("MWBE Regulations") for all State contracts as defined therein, with a value (1) in excess of $25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of $100,000 for real property renovations and construction.

B. The Contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the New York State Department of Health (the “New York State Department of Health”), to fully comply and cooperate with the New York State Department of Health in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for certified minority and women-owned business enterprises (“MWBEs”). Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, state or local laws.

C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the withholding of funds or such other actions, liquidated damages pursuant to Section VII of this Appendix or enforcement proceedings as allowed by the Contract.

II. Contract Goals

A. For purposes of this Contract, the New York State Department of Health hereby establishes an overall goal of 0% for Minority and Women-Owned Business Enterprises (“MWBE”) participation, 0% for Minority-Owned Business Enterprises (“MBE”) participation and 0% for Women-Owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs).

B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract Goals established in Section II-A hereof, Contractor should reference the directory of New York State Certified MBWEs found at the following internet address: https://ny.newnycontracts.com/

Additionally, Contractor is encouraged to contact the Division of Minority and Woman Business Development ((518) 292-5250; (212) 803-2414; or (716) 846-8200) to discuss additional methods of maximizing participation by MWBEs on the Contract.

C. Where MWBE goals have been established herein, pursuant to 5 NYCRR §142.8, Contractor must document “good faith efforts” to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract. In accordance with Section 316-a of Article 15-A and 5 NYCRR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of contract and the Contractor

RECOMMENDATION FOR COMMUNITY SETTING, NURSING FACILITY LEVEL OF CARE, OR NURSING FACILITY SERVICES

After assessing the individual’s total needs, mark the recommended placement option below with an X.

1. ☐ The individual’s total needs are such that his or her needs can be met in the appropriate community setting.

   You may qualify for Office of Mental Health housing including/but not limited to: apartment housing (living alone or with others); congregate housing (living with other people); or family care (living with a family care provider in their home).

   Services you may qualify for include/but are not limited to: health services at your home (nurses, home health aides and physical therapists); personal care (help with bathing, dressing and grocery shopping); Adult Day Health Care; specialty health (audiology, dental, optometry and podiatry); transportation to medical appointments; home delivered meals; peer support; vocational rehabilitation; and continuing mental and/or behavioral health services. **Your Social Worker will work with you to initiate these services and obtain appropriate housing to provide you with a safe discharge.**

3. ☐ The individual's total needs are such that placement in a home and community-based waiver program was considered, but determined not to be appropriate or feasible at this time. Inpatient care is appropriate and desired, and the nursing facility is an appropriate setting for meeting the individual's needs.

If placement option #3 is marked with an “X”, explain the rationale for that recommendation, and describe the specific services required below:

RECOMMENDATION FOR SPECIALIZED SERVICES

If Specialized Services are recommended mark with an “X”, and describe below:

☐ Inpatient care is appropriate and desired but the nursing facility is not the appropriate setting for meeting the individual’s needs. Another setting, such as an Institution For Mental Diseases (IMD), providing services to individuals aged 65 and older, or a psychiatric hospital, is an appropriate institutional setting for meeting those needs. Specialized Services (Active Treatment) are recommended and described below. For mental illness, specialized services means the services specified by the State Mental Health Authority which result in an individualized plan of care that demands hospitalization.

INSTRUCTIONS FOR COMPLETING THE MEDICAID AGENCY DATA USE AGREEMENT (DUA)

This agreement, which ensures compliance with the requirements of the Privacy Act, is required for a State Medicaid Agency to receive LTC/MDS data deriving from Medicare and private pay residents, and must be completed prior to the release of these files to the Medicaid Agency. No DUA is needed for release of LTC/MDS data derived exclusively from Medicaid residents; however, see the instruction below for item #5 in regard to this. Note that all data releases to the Medicaid Agency, including releases for Medicaid-only residents, must be electronically tracked for purposes of HIPAA compliance.

Instructions for the completion of the agreement follow:

**Before completing the DUA, please note that the language contained in this agreement cannot be altered in any form.**

- First paragraph, enter the name of the State.
- Item #1, enter the name of the State.
- Item #5, “Files,” is pre-completed to show “LTC/MDS Resident Assessment Data File(s).” This wording is general and covers all MDS data. This all-inclusive language will reliably guide the technical staff who must retrieve the data. Item #5, “Year(s):” The Medicaid Agency may choose the time period for which it wishes to receive data, from a point in the past through up to 10 years into the future (see the Item #6 discussion of retention date). Examples are: “1998-2000;” “2001;” and “From 1998 through [insert date 10 years in the future].”
- Medicaid Agencies must remain aware that the use of all the MDS data, regardless of program source, is limited to the purpose indicated in Item #4, i.e., for Medicaid program use. In addition, Medicaid Agencies must abide by all the restrictions regarding the MDS data, regardless of source, that are based on the Privacy Act and other law and regulation, and as expressed throughout this DUA.
- Item #6 says that the group of data files indicated in Item #5 may be retained by the Medicaid Agency for a period of 10 years after the approval date (CMS’ signature date) of the DUA. This date, which is 10 years in the future, is called the “retention date.” For cases in which the Medicaid Agency receives data in an ongoing manner, the retention date does not move forward with each data release. For example, data released two months prior to the retention date (9 years and 10 months after the DUA approval date) may only be kept by the Medicaid Agency for two months. If it wishes to continue receiving data beyond the 10 year point, the Medicaid Agency must contact CMS at least 30 days prior to the retention date (and preferably 3-4 months prior) to request another DUA covering the period following the 10 year retention date.
- Item #14 is to be completed by the State Medicaid Agency.
- Item #15 is to be completed by the State Medicaid Agency Custodian. Enter the Custodian’s name, the State Medicaid Agency organizational unit, Address, Phone Number (including area code), and E-Mail Address (if applicable). The Custodian of files is defined as that person who will have actual possession of and responsibility for the data files. This will typically be the manager of the Medicaid agency unit with responsibility for the data files. If the person signing for the Medicaid agency as User is the same person as the Custodian, that person can appear and sign in both places.

If there are additional Custodians who are not direct Medicaid agency employees, such as academic or other consulting contractors, who assist the Medicaid agency in its use of the data for the purposes indicated in Item #4, an appropriate lead or managerial person from each such organization must complete and sign the Multi-Signature Addendum form.
INSTRUCTIONS FOR COMPLETING THE DATA USE AGREEMENT (DUA)

Additional Custodian individuals or organizations can be included as necessary over the life of the primary DUA. To include a new Custodian under an existing Medicaid agency DUA, submit the following to the CMS Regional Office: a letter from the Medicaid agency describing the activities planned for the new Custodian and the length of time over which the Custodian will serve; and a Multi-Signature Addendum completed and signed by an appropriate lead or managerial person from the Custodian organization. The Multi-Signature Addendum must show the DUA number of the existing primary Medicaid agency DUA.

- Item #16 will be completed by the RO MDS Representative.
- Item #17 will be completed by the CMS Regional and Central Office.

Further, the terms of this Agreement can be changed only by a written modification to this Agreement, or by the parties adopting a new agreement. The parties agree further that instructions or interpretations issued to the User concerning this Agreement or the data specified herein, shall not be valid unless issued in writing by the CMS point-of-contact specified in section 16, or the CMS signatory to this Agreement shown in section 16. CMS reserves the right to terminate this agreement at any time if there is evidence that: (1) the agreement is not being complied with; (2) there is a violation of law in the manner of compliance; or (3) the agreement no longer complies with changes to statutory or regulatory requirements. Upon such notice, CMS will cease releasing data to the User under this Agreement and will notify the User either to return all previously released data files to CMS at the User’s expense or destroy such data.

3. The parties mutually agree that CMS retains all ownership rights to the data file(s) referred to in this Agreement, and that the User does not obtain any right, title, or interest in any of the data furnished by CMS.

The User shall not, unless explicitly provided for under contract, disclose, release, reveal, show, sell, rent, lease, loan, or otherwise grant access to the data covered by this Agreement to any person(s). The User agrees that, within the User organization, access to the data covered by this Agreement shall be limited to the minimum number of individuals necessary to achieve the purpose stated in this section. 6. The parties mutually agree that the aforesaid file(s) (and/or any derivative file(s), including any file that maintains or continues identification of individuals) may be retained by the User for a maximum period of 10 years from the effective date of this agreement, hereinafter known as the retention date. The User agrees to notify CMS at least 30 days prior to the expiration of the aforementioned retention date in order to renegotiate this agreement. The User acknowledges that stringent adherence to the aforementioned retention date is required.

7. The User agrees to establish appropriate administrative, technical, and physical safeguards to protect the confidentiality of the data, and to prevent its unauthorized use or access. The safeguards shall provide a level and scope of security that is not less than the level and scope of security established by the Office of Management and Budget (OMB) in OMB Circular No. A-130, Appendix III—Security of Federal Automated Information Resources (http://www.whitehouse.gov/omb/circulars/a130/a130.html), which sets forth guidelines for security plans for automated information systems in Federal agencies. The User acknowledges that the use of unsecured telecommunications, including the Internet, to transmit individually identifiable or deducible information derived from the file(s) specified in section 5 is strictly prohibited. Further, the User agrees that the data must not be physically moved or transmitted in any way without written approval from CMS.

9. The User agrees that no findings, listing, or information derived from the file(s) specified in section 5, with or without identifiers, may be released if such findings, listing, or information contain any combination of data elements that might allow the deduction of a beneficiary’s identification without first obtaining written authorization from the appropriate System Manager or the person designated in item number 16 of this Agreement unless the information derived from the files specified in section 5 are being used for purposes outlined in section 4. The User will notify any entity to which the data is transferred of the need to maintain the confidentiality of the data provided. The User agrees that in the event CMS determines or has a reasonable belief that the User has made or may have made disclosure of the aforesaid file(s) that is not authorized by this Agreement, or other written authorization from the appropriate Systems Manager or the person designated in section 16, CMS in its sole discretion may require the User to: (a) promptly investigate and report to CMS the User’s determinations regarding any alleged or actual unauthorized disclosure, (b) promptly resolve any problems identified by the investigation; (c) if requested by CMS, submit a formal written response to an allegation of unauthorized disclosure; (d) if requested by CMS, submit a corrective action plan with steps designed to prevent any future unauthorized disclosures; and (e) if requested by CMS, return data files to CMS immediately. The User understands that as a result of CMS’s determination or reasonable belief that unauthorized disclosures have taken place, CMS may refuse to release further CMS data to the User for a period of time to be determined by CMS.

11. The User hereby acknowledges that criminal penalties under §1106(a) of the Social Security Act (42 U.S.C. §1306(a)), the Privacy Act (5 U.S.C. §552a(i)(3)), and 18 U.S.C. §641, which govern the use of these data, may apply to disclosures of information that are covered by this agreement.
