

HCBS SADC Compliance Verification FAQs

Dear Health Plan Administrator for Partial Capitation, MAP and PACE plans:

The New York State (NYS) Department of Health (DOH) has posted the Suggested Social Adult Day Care (SADC) Site Evaluation Tool and User Guide on the MRT website, which should be utilized and referenced when your plan conducts their annual SADC site evaluations or are conducting the initial evaluation before contracting with a SADC. The suggested tool includes verification of State and Federal requirements, including the Home and Community Based Services (HCBS) Settings Final Rule compliance verification.
