

Submission Guidelines

For the DY4 Pay for Reporting (P4R) deliverable, each Facility participating in the Value Based Purchasing Quality Improvement Program (VBP QIP) was expected to sign contracts which were submitted to the Department of Health totaling at least 80% of all Medicaid Managed Care dollars in a Value Based Payment arrangement based on 2016 Medicaid Managed Care revenue. Please note, if your facility submitted a Service Exclusion Waiver, only dollars associated with Inpatient Services and Emergency Room Visits were used in the aforementioned calculation. Attestations were signed by an authorized senior financial officer at the Facility, confirming the accuracy of the data provided in the document.

For the DY5 P4R deliverable, Facilities must comply with DY4 P4R requirement and maintain 80% of all Medicaid Managed Care dollars in VBP arrangements through DY5. This attestation confirms that your facility will remain in these arrangements at a minimum through the end of the program, March 31, 2020.

VBP QIP Facilities must submit this attestation to the NYS DOH for record keeping to:
vbp_qip@health.ny.gov with "VBP QIP – MCO Contract Attestation" in the subject line.
