NY Medicaid EHR Incentive Program LISTSERV

Regional Extension Centers (RECs)

Do you have questions on the program and requirements? Do you need assistance on selecting and using Certified EHR Technology? Are you struggling to meet the program objectives?

There is FREE support provided by New York State's Regional Extension Centers (RECs) for all practices and providers located within New York. Check out the information below!

RECs were established nationwide to assist primary care providers in the adoption and meaningful use of electronic health records (EHRs). RECs work to optimize the use of EHRs so that providers can become meaningful users, engage in new health care transformation and quality initiatives, and participate in payment delivery reform programs.

New York State has two RECs that provide **FREE** support services to healthcare providers as they navigate the EHR adoption process and achievement of meaningful use.

If you are within the 5 boroughs of NYC, contact:

NYC Regional Electronic Adoption Center for Health (NYC REACH)

Website: www.nycreach.org

Email: pcip@health.nyc.gov

Phone: 347-396-4888

NYC REACH supports and enhances the healthcare delivery system to improve population health by assisting New York City-based independently-owned private practices, community health centers, and hospital-based ambulatory sites with adopting and implementing health information systems, quality improvement, and practice transformation initiatives. To accomplish these goals, NYC REACH provides technical expertise and guides healthcare practices to utilize delivery models that emphasize care coordination, patient engagement, and community resource linkages.

If you are outside of the 5 boroughs of NYC, contact:

New York eHealth Collaborative (NYeC)

Website: www.nyehealth.org

Email: hapsinfo@nyehealth.org

EHR Incentive Program Outreach Survey

In an effort to ensure that we continue to provide quality services to Medicaid providers throughout New York State, the EHR Incentive Program has launched a new program survey.

We ask that you take a moment to provide us with your valuable insight.

Phone: 646-619-6400

New York eHealth Collaborative (NYeC) is a non-profit organization, working in partnership with the New York State Department of Health to improve healthcare collaboratively leading, connecting, and integrating health information exchange (HIE) across the state.

NYeC's Healthcare Advisory Professional Services (HAPS) team supports providers in navigating the complex landscape of healthcare information technology provider assistance programs, incentives and penalties, vendor selection, attestation and quality measurement reporting, and health information exchange utilization. To date, the HAPS team has supported over 10,000 providers in practices of all sizes in implementing technologies and processes to improve healthcare delivery across New York State.
