Payment Year 2019 Attestations -COVID-19 Update

The attestation deadline is currently **May 4, 2020**. That being said, we understand many providers and administrators are utilizing all their focus and energy to assist patients in this difficult time. To account for this, the possibility of an extension to the current deadline is being discussed. Nothing has been decided at this time, but information will continue to be sent as the situation develops.

If you need any assistance with your attestation in the meantime, our support desk remains available by [both email and phone](#) during our normal operating hours of **8:30am to 5:00pm Monday through Friday**.

We extend our deepest gratitude to the provider community for your continued efforts to reduce the spread of the Novel Coronavirus ([COVID-19](#)) in New York State. Thank you for all that you do.

Remediation Letter Program Discussion

The NY Medicaid EHR Incentive Program will now be holding quarterly Program Discussions covering important topics identified by our provider community and staff.

Our next Program Discussion will concern Remediation Letters, including what triggers them, how to read them, and how to respond to them. To sign up for this webinar, please use the link below.
