- Medical documentation is required for:
 - Infants 6 months or older with greater amounts of contract formula in lieu of infant foods
 - Infants and children with exempt formula
 - Children with contract formula
 - Children and women with infant foods
 - Children and women with WIC-eligible nutritionals
- Medical documentation includes an appropriate qualifying medical condition for the formula, quantity (ounces/day), length of use, and food restrictions. The Medical Documentation Form is available at: <https://www.health.ny.gov/forms/doh-4456.pdf>
- Premature formulas may be provided to premature infants up to their corrected age of 12 months.
- All flavors are approved for NYS WIC eligible formula products.
- The need for Ready-To-Use formula will be addressed by the WIC Program

I = infant less than 1 year; C = child less than 5 years; W = woman
