Re: DAL NH 22-05 Civil Monetary Penalty
Reinvestment Funds: In-Person Visitation Aids

Dear Nursing Home Administrator:

On November 12, 2021, the Centers for Medicare and Medicaid Services (CMS) issued release of QSO-20-39-NH and Memorandum QSO-20-39-NH FAQ (Revised February 2, 2022). According to the criteria set forth by CMS in QSO-20-39 NH Revised, facility may now request the use of Civil Money Penalty (CMP) Reinvestment funds to purchase portable fans and portable room air cleaners with high-efficiency particulate air (HEPA, H-13 or -14) filters to increase or improve air quality. When utilizing these items for visitation purposes, facilities need to ensure appropriate life safety code requirements found at 42 CFR 483.90 are met, unless waived under the PHE declaration.

Expenses incurred on or after the release of Memorandum QSO-20-39-NH FAQ Revised February 2, 2022 are eligible for reimbursement.

The Department is authorized to approve applications for CMP funding that meet the defined CMS parameters as outlined in the application without review by CMS as long as the requests do not exceed $3,000 per facility. For consideration of these funds, the applicant must demonstrate the following:

- number of residents who would benefit.
- facility plan to complete the project in 30 days or less
- facility has infection control policies in place and demonstrates the benefits to residents

Facilities that are interested in applying for this opportunity must complete both the Civil Money Penalty (CMP) Reinvestment Application Template Coronavirus Disease 2019 (COVID-19) In-Person Visitation Aids Request and the New York State Department of Health CMP Reinvestment Addendum attached to this letter. Each facility must submit its own complete application and addendum to be considered for funding. Applicants will receive notification from the Department on the outcome of their request.

Nursing Homes will have 7 days from the date of this notice to submit a completed CMP COVID-19 In-Person Visitation Application as well as the NYSDOH CMP Application Addendum to NYS.CMP@health.ny.gov with the subject line: CMP-In-Person Visitation Aids, Facility Name and PFI #.
A completed application and information must be submitted separately for each facility no later than 3 p.m. on April 1, 2022. Any applications that were submitted prior to the date of this letter will need to be resubmitted following the instructions provided. Incomplete or late applications will not be reviewed.

A complete application and addendum must be submitted for each facility to be considered for funding. Applicants will receive notification from the Department on the outcome of their request. Awarded applicants will receive a purchase order to confirm the Department’s intent to reimburse for eligible expenses. Eligible expenses are those described in the CMP Reinvestment Application Template. Additionally, if your facility operates under a Doing Business As (DBA) and/or was issued a NYS DOH Supplier number through prior CMP applications, please indicate the information on your application.

If you have any questions about the above information, please email NYS.CMP@health.ny.gov

Sincerely,

Sheila McGarvey
